Let's Get to Know Each Other

Hi again! I'm thrilled to introduce myself, I'm Katie! Based out of the charming town of Hanover, PA, I've been capturing beautiful wedding moments since 2021. Beyond the lens, my heart belongs to Jesus, and you'll often find me savoring the simple joys of life – be it indulging in crispy french fries, sipping on a cup of coffee, or reveling in the joy of being a mom and wife. I cherish working with couples who hold dear to traditional values, and my goal extends beyond just capturing your special day – I'm here to make friends and be a part of your beautiful journey. Let's create timeless memories together!

I want to express my gratitude. Your wedding day is a singular moment, filled with anticipation for the envisioned colors, the chosen vow location, and, most significantly, the person you'll soon say "I do" to. It's more than merely "hiring a photographer"; it's entrusting someone to capture the essence of your most cherished day, and I take that responsibility to heart.

What We Offer

Embark on your wedding journey with us as your dedicated photography team. Our offerings include standard 6, 8, and 9-hour packages, but customization is our specialty – tailor your experience in whatever way suits your vision. We believe in the importance of connection, which is why we include a complimentary engagement session – a chance for us to bond and get to know each other before the big day unfolds.

Let's craft a personalized experience that beautifully tells your unique love story.

Consult & Booking

Consult

A consultation is a pivotal step in our journey together, providing a valuable opportunity to understand your needs and vision your special day. Whether through a detailed phone call or an in-person coffee chat, this meeting allows us to delve into your unique vision, preferences, and expectations. It's not just about discussing logistics; it's about creating a genuine connection. By understanding your story, desires, and the atmosphere you envision, we can tailor our services to ensure your wedding day unfolds exactly as you've dreamt it. Let's connect, whether over the phone or over a cup of coffee, and start weaving the details that will make your celebration truly unforgettable.

Booking

Once you decide to entrust us with your special day, I'll craft a customized proposal tailored to our discussions. Once the proposal aligns seamlessly with your vision, the next steps involve signing a contract and making a 25% non-refundable deposit. This deposit serves as a commitment to secure your date exclusively for you.

It's important to note that your booking is finalized only when both the signed contract and deposit are successfully completed. This ensures clarity and guarantees that every detail is in place for us to embark on this incredible journey together. Let's make your dream celebration a reality!

Frequently Asked Questions

What is your photography style? - I strive to present images that stay true to the colors and atmosphere of the scene, avoiding heavy filters or alterations. This approach not only ensures a timeless quality to the photographs but also allows the true emotions of the subject to shine through. I believe in the power of a photograph to evoke genuine feelings and memories, and my goal is to create images that tell a story by preserving the authenticity of each moment.

What is the turnaround time for receiving edited photos? - During the busy season (May - October) for photography services, my turnaround time is typically 4-8 weeks. In the slower season, from November to April, you can expect a quicker delivery of 3-6 weeks.

For video services, regardless of the season, my turnaround time is estimated to be 10-14 weeks. I appreciate your understanding and patience as I work diligently to ensure the highest quality and attention to detail in every project.

Do you have backup equipment? - Rest assured, I prioritize the reliability of my services. I utilize multiple cameras to ensure a seamless backup in case of any unforeseen technical issues. Additionally, I collaborate with a second shooter who comes equipped with her own set of professional gear. This dual approach not only enhances the quality of coverage but also provides a robust contingency plan, guaranteeing the preservation of your special moments.

Can we provide you with a shot list? - Absolutely, I'm more than happy to work with a shot list! Your vision and must-have photos are crucial to ensuring that your memories are captured exactly the way you envision them. Feel free to share any specific shots or ideas you have in mind, and I'll do my best to incorporate them seamlessly into your wedding. Your input is incredibly important, and I'm here to make your photography experience as personalized and enjoyable as possible. Let's collaborate to create something truly special!

How many photos will we receive? - For each wedding, you can anticipate receiving between 600 to 1000 photos. The exact number may vary depending on factors such as the duration of the event and the specific moments captured. This range is designed to ensure that every significant detail is documented, providing you with a comprehensive collection of memories to cherish.

Do you offer retouching or photo editing services? - I do offer retouching services to enhance the final presentation of your images. If you would like to request retouching, please do so within a 14-day period following the delivery of the photos. This allows for any specific adjustments or enhancements to be made to meet your preferences.

Please note that retouching requested after the 14-day period may incur an additional fee. Your satisfaction is important to me, and I am committed to ensuring that your photos reflect your vision and expectations.

Can we request specific editing styles? - I take great pride in maintaining a distinctive and consistent editing style that defines my work. This style is an integral part of what sets my photography apart. While I do offer retouching services to enhance the overall quality of your images, please note that specific editing requests beyond my standard style may not be accommodated. The unique aesthetic of my editing is carefully curated to provide a timeless and cohesive look to your photos. I believe it contributes significantly to the overall storytelling of each image.

What to Expect

A WEDDING DAY YOU CAN ACTUALLY ENJOY

I am here to help you to enjoy your wedding day and serve as your guide, making it what it should be : the happiest day of your life. You want to be able to just enjoy your day while I'll blend into the background to capture those happy and unposed moments, as well as provide support whenever you need it.

You can expect me to be there for you and stick to a timeline. That being said, nothing on a wedding day runs perfectly to schedule. Timelines are built with breathing room. Your job will be to focus on getting married and mine, on documenting it.
