WELCOME

Hey guys!

First and foremost, I just want to say congratulations! This is a huge milestone in your life and I am beyond honored that you asked me to be a part of this monumental day in your life!

My name is Ean Cuenca and I'm a wedding and elopement photographer based out of Athens, Georgia! My goal for your wedding is to illuminate authenticity by allowing you and your partner to be fully immersed in your wedding day with the people you love while I capture every moment and every emotion. If your wedding day is the foundational piece to your marriage - why not start it off wild, playful, and carefree rather than rigid and stressed?

I am PUMPED to be your Hype Man first and your photographer second!
