"Geoff and Cindy captured our wedding beautifully! Their professionalism, artistic ability, and many years of experience was definitely evident. They were both very fun to work with and took the time to get to know us and what we wanted for our wedding."

ABOUT US

Hey there! We are Geoff & Cindy, an award winning husband and wife team of photographers. Geoff shoots with a more photojournalistic style to capture the more candid and raw moments, while Cindy shoots more direct, focusing on posing, details and light & shadow. Our two different styles create a unique and fascinating blend of images throughout your day.

We have been photographing weddings together for over 10 years. I guarantee you will be blown away by our attention to detail, preparation and uncanny way of being in the right place at the right time.

Let's do this!

YOUR WEDDING

This is the day you have been planning for and dreaming of. Your favorite people in the world are gathering, the dance floor is waiting, the champagne is chilled. Every little detail has been tended to and now it's time to walk down the aisle and join forces with your one true love. You will remember these moments for the rest of your life; the family, the friends, the cake, the music, the tears and the laughter.

You deserve to have this beautiful experience thoughtfully documented as you share the story of your wedding with family and friends in the decades to come.

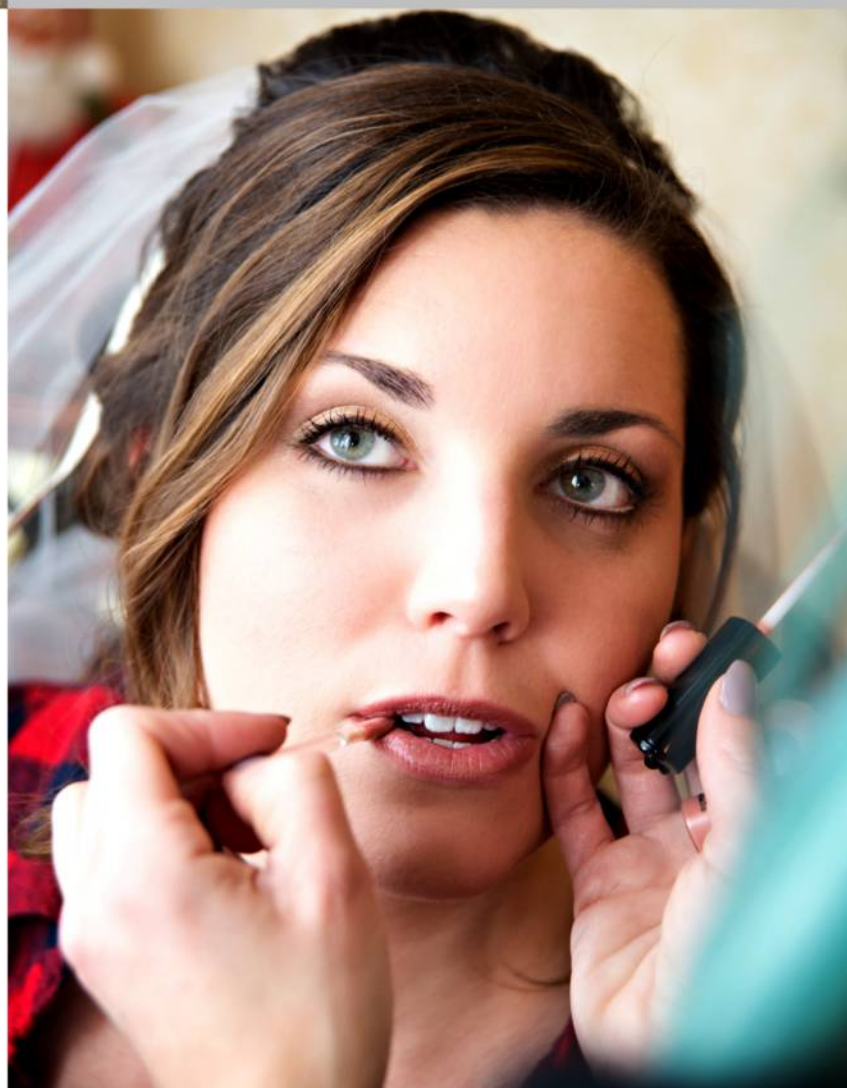

ENGAGEMENT SESSION

Our wedding packages INCLUDE an engagement session with all the images yours to download and keep. Some photographers charge extra for engagement pictures, but we actually PREFER to do them as that gives us the opportunity to work together before your big day. We get to know each others quirks and we get our laughs in as well. Think of it as a trial run for your wedding day!

TWO PHOTOGRAPHERS

We are a husband and wife TEAM of photographers. We both have camera in hand, we each have our own shooting style, and best of all, we can be at two places at once ... perfect for morning "getting ready" pictures.

UNLIMITED TIME

Like a shadow, we're always there. Simply tell us where to be in the morning and we'll be by your side the entire day. From the first hair pin to the last dance.

It's your wedding DAY, not your wedding 6 hours.

USB DRIVE

Our wedding packages also INCLUDE a USB drive filled with images from your wedding day. We take out the blinks, burries, test shots and duplicates. You keep the rest. All copyright free and full resolution. Between the two of us shooting, all day, on average, we load approximately 700 to 1200 images onto your drive!

The drive is great and all, but nothing beats a custom wedding album you get in our Creation Package ...

A L B U M S

What would it feel like to hold a custom made wedding album in your hands that tells the story of your wedding day? What would it mean to share this story with your children and grandchildren?

Digital files disintegrate over time and individual photographs do not have the capacity to tell a story the way your custom made wedding album can. These heirloom pieces are the beginning of your legacy and allow you to bring your love story to life through print for yourselves and for generations to come.

Our Creation Package includes your choice of a modern photo wrapped or a classic linen wrapped cover, with 100 of your favorite images printed across 20 pages. Each image in the book is hand retouched, the album is printed at a pro lab and has a LIFETIME guarantee. These albums are robust, stunning and the ONLY way to fully capture your wedding day memories.

Save the Date

SAVE THE DATES, INVITES & THANK YOU'S

Create stunning save-the-dates and invitations from your engagement pictures right here in our studio or from your couch at home. These boutique 5x7 cards are two sided and come with envelopes. Hundreds of designs & options available to match your style and theme.

WALL PORTRAITS, CANVAS PRINTS AND MORE

Your love is meant to be displayed! Don't let your images hide on a flash drive in a dresser drawer, never to be seen ... display them!

We offer printing from wallet size to wall portraits, canvas to metal and anything in between. We also have print packages available as well as in-house framing!

Best of all, everything we print is meticulously retouched, high quality printed and has a lifetime guarantee.

*After your wedding, all that remains is
your dress ... and your pictures ...*

CAPTURING THE STORY OF THE DAY

When you hire a professional photographer for your wedding you are not only hiring someone to take pretty pictures but also a person who is a storyteller. A professional photographer takes the time to really listen to you and your love story. They will know the people and moments that are most important to capture on your wedding day and will take gentle care to create an atmosphere where your story can unfold. Always in the background, observing and guiding, a professional photographer documents your story in such a way that when you see your photographs you will be able to truly relive the beautiful and unique story of your wedding day.

E N G A G E M E N T S H O O T

We'll start our journey together with an engagement shoot. This is the perfect opportunity to get to know each other, how you react when a camera is pointed at you, how we work with you. Bonus: when we show up on your wedding day, we're not complete strangers!

P R E - W E D D I N G C O N S U L T A T I O N

We highly suggest you keep us in the loop with plans and changes as you make them, but typically the week of your wedding we schedule a time to sit together and discuss your itinerary. We get addresses, times, take notes of special requests and be ready to roll!

W E D D I N G

This is the day. No matter how stressed you are, we are here to calm you and take care of you. We'll capture your day, your story, your life. Whether your family views your photos in a month or 50 years from now, they'll see your entire story.

ALBUM DESIGN (CREATION PACKAGE)

If you chose the Creation Package (hooray!), now is the time to select your favorites for your album. We'll post your images to a private viewsite, you flag your favorites for the album and we'll design a one-of-a-kind storybook of your day.

FINAL DELIVERY

Once everything is complete, loaded and/or printed, we'll contact you to let you know that everything is ready to be picked up. This can take as little as a few weeks (Vision Package) to a few months (Creation Package). This can vary when factoring in image selection time, design time, print time and busy seasons.

"The photographs are even better than I could have ever imagined! I still cannot stop looking at them!"

"We cannot express how much these two did for us during our big day. They laughed with us and kept everything flowing smoothly. They captured amazing moments. We are truly super happy with our experience with having both of them around all day long!"
