

HI THERE!

I am so glad you're here! First, congratulations once again on your engagement. This is such a sweet season of your life and I couldn't be more excited for this new journey you are walking into!

Second, I want to thank you for considering me to potentially document one of the biggest days of your life thus far! I am forever grateful for this passion of mine for it allows me to connect with my clients on such a personal level. I get to learn their love story, share in their joy (and the mild chaos) of their wedding day, and be there to celebrate their love and commitment to one another!

Lastly, I want to explain the heart behind my work! I have been shooting weddings for 8 years now, and I love being able to capture the raw, intimate emotions of my clients on their wedding day while they're surrounded by all the people they love the most. I capture emotionally rich photographs that couples can share and reminisce on for the rest of their lives. I strive to be a stress free and a loving friend to my clients that make them feel completely comfortable with me and in front of my camera.
