### **Give Me More \$1,800**

This 5 hour package is enough to cover pre-ceremony, ceremony and reception. We will arrive an hour before your ceremony starts to get creative detail of your location, friends and family gathering and to place our microphones. After the ceremony we head to your reception to gather details and to set up to film your first dance, then we stay with you to party. You will receive a documentary style edit and highlights of the day.

### **Laissez Les Bons Temps Rouler- \$2,500**

**MOST POPULAR.** This 8 hour package has us arriving at your prep location 4 hours before your ceremony begins. This allows us to get detail shots of your dress, shoes, jewelry, getting your hair and makeup done and sweet moments with your bridesmaids. If there is a first look we will stay for that before heading to the church an hour before the ceremony to get pre-ceremony footage. Then we cover the ceremony and reception just like our 5 hours collection. This package comes with a documentary style edit of the highlights of the day. \*You can add a trailer to this collection for only \$300
