

Mobile Barbershop

TopShelf Grooming is an everyday, professional man's brand. We are a mobile barbershop offering on-site hair services for the groom's party throughout the Bay Area. We believe that a proper haircut and shave has become a vital part of a man's wedding routine. We allow you to check your coat and "day of" stresses at the door and thoroughly decompress in a service that will enhance your physical appearance and put your mind at ease. Don't forget, when the rest of the room is admiring the Bride she will be admiring you, make sure it's the best looking you possible.

FINALLY"

The Shop

Our “barbershop on wheels” has all the features of a brick and mortar shop in a professional atmosphere. Inside, the shop there are two barber chairs, a restroom, and a lounge area that provides an escape for clients to decompress. Amenities include: TVs, refrigerator, coffee, water, tea, adult beverages, and cigars, with more available upon request. Outside has a 10’x10’ awning and seating area where guests can play poker, darts, lawn games, and socialize in the beautiful Bay Area weather. No connections needed to operate, so the options for your wedding venue are endless.

Executive Haircut

Consultation to determine the proper tailored look for your big day. Haircut using traditional barbering techniques and modern influences to make you look and feel your best. Finished with a shampoo, hot towel treatment, facial massage and style. Look good, feel good, do good.

Executive Shave

Consultation to determine skin texture and porosity. Application of five shave products, three hot towels, the traditional single blade barber shave, one chilled towel then finished with a light rest facial. A perfect way to begin the best day of your life.
