

The A LIFE BUILT *for* TWO *Pricing Guide*

HERE'S WHAT WE INCLUDE IN *Each* OF OUR COLLECTIONS:

- 2 Photographers

There is so much that happens on your wedding day, it is so important to have two photographers to capture everything.

- Full Day Coverage

We don't want you to have to choose between whether you have photographs of your time spent getting ready or the end of your reception. We want you to have it all, from going to Starbucks at the start of the day, all of the big and small moments, the whole way to you driving off at the end of the night. No compromising necessary.

- Engagement Session

There is no better way to celebrate your engagement than with an engagement session. It provides you with an opportunity to get comfortable in front of the camera and to be familiar with us behind the camera. It'll give you time to get to know us better, and you'll get amazing, less formal photos to cherish that will be perfect for your save the dates!

● Reveal Party

There is so much excitement and anticipation around your engagement and wedding photos, that it would feel wrong to just send you a link and be on our way. So instead, we will get together once your photos are finished, and we will go through your gallery together over fresh cookies and drinks! We love prints, so we will have a few of our favorite images printed and matted on display for you to see and purchase if you choose! We really value all of our couples, and it brings us so much joy to celebrate with you and see you go home with beautiful wall art or an album that will help you remember and treasure your images for years to come.

● Online Gallery

At your reveal party, we will show you how to access your online gallery, which you can share with your friends and family as well as download all of your photos!
