

Bully Boy Distillers is proud to use our space as a non-traditional wedding venue. Our venue has a maximum capacity of 85 guests.

Event Spaces

When hosting a party at Bully Boy, couples have access to our full venue. Our full venue includes our Tasting Room, Barrel Room, Lab, and Production Floor. All of our spaces are extremely versatile and can be used to fit any vision.

Tasting Room

- Our Tasting Room is home to our craft cocktail bar. Set in a speakeasy style venue, our Tasting Room is quaint, cozy, and inviting.
- Our tasting room and cocktail bar are guided by a still-to-glass philosophy. Made with fresh juices, house-made tinctures, and seasonal ingredients, each cocktail showcases a different Bully Boy spirit.
- Awarded Best of Boston 2017
- Our cocktail menu is fully customizable for every wedding/party. We are happy to work together to create a menu that couples (and their guests) will enjoy
- We are proud to create a specialty cocktail for every wedding and special event.
- Our Tasting Room has a few small tables and chairs and bar seating

Barrel Room

- Our Barrel Room has walls entirely lined by barrels hard at work and dimly lit from our hanging chandeliers
- This is the perfect space for an intimate wedding ceremony, mingling space for a cocktail hour, a seated dinner for up to 30 guests, or a post-party dance floor

Lab

- Our lab space is where Dave, our master distiller, spends his days crafting our new spirits
- When he is not hard at work here, our lab space is perfect for a pre- and post- ceremony cocktail hour
- We can set up our large Connect 4 and Jenga in this space if couples are looking for fun activities for their guests
- Catering can set up buffet tables, raw bars, dessert tables, and a beer and wine bar
- One wall of this space is decorated with hundreds of test bottles of Dave's spirits and this space is home to our state of the art, 750-gallon copper still

Production Floor

- The most industrial of our spaces, this is where we do our bottling and is home to our three fermentation tanks
- This is a great space for a seated dinner for up to 85 guests
- If the party is smaller, or not doing a seated reception, we can set the Production Floor with our yard games (cornhole, giant jenga, giant Connect4) or we can clear the space for a dance floor

Event Rentals

We have two different wedding packages for interested couples: a full day rental or a 3-hour rental. The price of both of our packages serves as a bar minimum, including all cocktails up to that rental amount.

Full Day Rental: \$8,000

- This event package includes up to 6 hours for the event, 3 hours ahead of the event for all vendor set up, and 1 hour after the event for vendor break down
- The event itself can occur in any 6-hour block of time between 2pm-11pm any day of the week
- This is a great option if a couple is looking to host both their ceremony and reception with us or just to have a bit more time with the set up/break down and reception
- There is a 20% automatic gratuity in addition to the rental price for the bar staff

Three-Hour Rental: \$6,000

- This event package includes 3 hours for the event, 1 hour ahead of the event for vendor set up, and 30 minutes after the event for vendor breakdown
- The event itself can occur from 8pm-11pm on Saturdays, and any 3-hour block of time between 5pm-11pm Sundays-Fridays
- There is a 20% automatic gratuity in addition to the rental price for the bar staff
