

Keep it Simple! - \$950 - 1 videographer, 1 camera, raw footage of ceremony and reception delivered by digital download

Full coverage: \$1,550 - 1 videographer, 2 cameras. Your choice of edited full-length video (approximately 45 minutes long) OR highlight reel video (about 3-5 minutes long) including the ceremony and reception.

Double coverage: \$2,150 - 2 videographer, 3 cameras. Your choice of edited full length video (approximately 45 minutes long) OR highlight reel video (about 3-5 minutes long) including the ceremony and reception.

Elopement Special: \$900 - 1.5 hours of coverage time from 1 videographer with 2 cameras. Footage will be edited into final video (with highlight style 2-3 minutes or full length approximately 10-15 minutes).

Extras:

Both the full length and highlight reel video - \$250 (only available on Full and Double Coverage packages)

One minute edited vertical video for your Instagram or TikTok - \$250

Live streaming - \$150 for the ceremony. **Fine print:** Reliable WiFi and access to power *must* be provided by venue. Currently, we are only able to live stream a total of 1 camera.

Drone - \$100 (this adds 1/2 hour of coverage time to any package)

Dvd copies - \$10 per copy plus shipping

Raw Footage - \$50 (all unedited videos delivered via digital download)

No additional cost for travel within the Denver Metro area. Travel fee will be charged for locations outside Denver, but within Colorado. Please inquire for pricing on out of state venues.

Pricing above includes 6 hours of record time. Each additional hour is \$100.

Don't see something you want above? Email, call or text us to inquire about prices and availability! We can customize your video to make sure you are getting exactly what you want without paying for things you don't want.
