Thank you for considering the Ritzzy Ranch for your wedding or event - we can't wait to help you make this everything you've ever dreamed it would be!

What is included?

5,000 square foot of indoor space, the courtyard and three parking areas - front door parking for family, a 6 acre parking field for guests and a separate lot and entrance for handicap. Our facility is available to you for your wedding day and the day before for decorating and getting things "just right". Climate controlled reception hall, indoor men's & women's restrooms, Groom's lounge and Bride's lounge with private bath. Round & square tables adorned with white or black linens, beautiful silver chiavari chairs, silver or gold chargers, plates, cups, napkins & silverware, table mirrors, tree slabs, centerpieces with led lighting and real candles. And of course you can have your own centerpieces if you like or just add to ours!

Our reception hall has over 20 crystal chandeliers, a mirrored disco ball, kitchen with three ovens for keeping your hot food HOT and a refrigerator and freezer for keeping your cold food COLD! Fruit infused water, tea, lemonade and coffee are provided in beautiful glass & iron decanters. Our in-house bakery is capable of making the wedding cake of your dreams and is priced separately.

Enter the courtyard from the reception hall through beautiful french doors or enter from the parking lot through fun antique doors. Comfy chairs will be set up and white satin chair covers are available for your use. Shepherd's hooks with jars or lanterns dot the isle as you proceed toward the wedding pergola which is draped in sheers. A table for sand layering or communion is on the pergola and is flanked by large urns. There are multiple photo ops in the courtyard including a quaint old fashion potting shed and blooming flowers and benches in various locations around the barn. Don't forget the stair case at the back of the barn - great for photos! And our fire pit in the courtyard is a great way to warm up on a cool night or make S'mores.

Our D.J. service includes an indoor and outdoor sound system and every kind of music you can imagine for just \$350. An additional microphone and amp are available for the officiant to use at the wedding pergola.

It is our pleasure to set up and take down the tables & chairs!
