2021 WEDDINGS & ELOPEMENTS

Hey loves,

Sara here!

I'm a wedding and lifestyle photographer serving Central Arkansas + Beyond! I strive to tell your story through soulful, vibrant, clean imagery that feels like home. I got into the industry because of my own wedding – I just absolutely love them and photographing couples who are wildly in love! There's so much magic in the entire journey and I'm your right hand girl every step of the way.

A wedding couple is captured in a romantic moment, kissing on a rocky cliff. The bride, on the left, wears a long, white lace dress and holds a bouquet of yellow and purple flowers. The groom, on the right, is dressed in a dark suit and blue jeans. They stand on a rugged, reddish-brown rock formation. In the background, a large body of water, likely a lake or reservoir, stretches across the middle ground, surrounded by lush green hills and a hazy, overcast sky. The overall mood is serene and picturesque.

*"Working with Sara
was a dream."*

Sara Toki is the definition of the dream team. She will show up on your big day and make you feel like an actual queen/king. My husband and I are actually pretty shy in front of a camera but with Sara there our shyness flew out of the window. Her pictures will be hanging on my wall for a life time, I couldn't ask for anything better!

My approach.

Soulful Vibrant & Clean.

I consider myself to be a story teller - along for the ride with you during this magical time in your lives. From the moment you choose me to photograph your day, I'm with you every step of the way. I approach weddings of course with the timeless poses in mind but also to step back and catch those moments in-between. Stolen kisses with your partner, laughing with your wedding party, hugs and happy tears with your most loved ones.

Weddings are magic - not just because of the fancy decorations and details but because of the entire reason we have them, which is **love**. I want your wedding gallery to be the reflection of your love story. My hope is that when you look back on the images from your wedding day, you feel that warm + fuzzy feeling all over again.

"Sara is the most creative person I know. She's got a vision and brings it to life with exactly what you want and more. She photographed my wedding and my family is absolutely obsessed (as am I). She makes you incredibly comfortable if you don't feel comfortable in front of a lens and has an eye that most other people just simply do not. Booking her would be a delight! Do yourself a favor and do it sooner than later!"

WHAT IS THE BOOKING PROCESS?

I aim to make booking as easy breezy as possible. You will be fully booked once your retainer is paid and the contract is signed! That is what holds your date.

DO YOU TRAVEL?

ABSOLUTELY! I am based in Little Rock, Arkansas but I love to travel and see new places! I am more than down to be your adventure buddy!

WHAT IS YOUR PHOTOGRAPHY STYLE?

I like to describe my style as soulful, inviting and warm. I typically shoot during golden hour to achieve those rich and creamy tones!

HOW LONG DOES IT TAKE TO GET OUR PHOTOS BACK?

It depends on the collection that you choose + the length of time that I will be with you. For weddings, typically 6-8 weeks. For engagement or lifestyle shoots, 2-3 weeks.

HOW DO I RECEIVE MY PHOTOS?

I deliver all of my images through an online gallery called pixieset. You are able to view or share the gallery and download the high resolution images to your phone or to your desktop!

WHAT IF I NEED TO CANCEL?

If for any reason, you need to cancel your wedding or your shoot – or change the date, the retainer cannot be applied to your new date. A new retainer will need to be paid for the new date. If you are cancelling all together, the retainer is non-refundable.

HOW DOES PAYMENT WORK? IS THERE TAX?

I will send out an invoice via email detailing what collection you have chosen and any ala carte items as well. The invoice will be payable by credit or debit card. The retainer is due at the point of booking your session and the full payment is due 1 week before your wedding or your shoot. Tax is applied to the invoice at a 9.5% sales tax rate, in accordance with the sales tax laws in Arkansas
