hello there!

I'M ZACH SORENSEN

DREAMERS, ADVENTURERS, & LOVERS OF LOVE!

I'm so stoked you're considering me for such an incredible day! It's important you find someone whose work you LOVE - but I believe it's just as important you find someone who will bring out the best of who you are in your photos! After all, your wedding day is meant to be an amazing celebration so you probably want a photographer who is fun to be around and will make sure your day goes as stress free as possible! I'm a lover of adventure, art, and may have a slight addiction to tacos. Give me a good photo location and I can get lost for hours.

I hope this guide gives you an idea of my vision and style, and insight to who I am! The truth is, your wedding is a once in a lifetime occasion—the two of you are about to start the most challenging, rewarding, exciting and life-changing experience of your lives together, and choosing someone to capture that day through photography is a big decision.

We still can't believe it.

WHAT MAKES ME UNIQUE?

Let's be honest, there are so many talented and incredible photographers out there. Many of them are people I've been privileged to call friends. I'm not going to tell you I'm better than they are - the truth is art is a personal thing that touches everyone differently. We all have our own personal style and creative vision that we uniquely bring to this world. Growing up in the surf and skateboarding community, my take on photography has always been based on simplicity with a creative and artistic touch. I love capturing candid "in-between" moments and making sure my couples feel comfortable and natural in front of the camera. I genuinely have a passion for bringing out the beauty in everyone and it's an amazing thing to be able to capture.

Here's what I'm all about: Getting to know you as friends not just a client, a job, or a paycheck. I LOVE getting to see my clients as friends, because when the wedding day comes around, I get to celebrate with YOU! I'm adventurous, artistic, and love working with couples who share this spirit and desire to create something breathtaking, that will last a lifetime.

Your wedding is YOUR story. It's beautiful, it's messy, it's totally unique. I'm stoked about capturing every part of it.

Sincerely, Zach

FAQ

DO YOU TRAVEL?

Yes! Most travel details can be found on my package s page. If you have more questions, I'd love to dicuss them in person!

CAN WE BOOK YOU FOR ONLY A FEW HOURS?

Your wedding photos will be the ONLY thing you have left to remember your day, so I definitely recommend capturing the ENTIRE event, but if you only want a few hours covered, I go by an hourly rate of \$250/hr.

HOW MUCH DO YOU EDIT YOUR PHOTOS?

Post-processing is the most time intensive part of your wedding as I work hard to ensure every image meets my artistic standard. Every photo has my custom look applied, and is adjusted for things like brightness and optimal color. My aim is to make the photos look natural with tasteful tweaks.

DO YOU PROVIDE ALBUMS?

I personally do not provide physical albums, but export my photos in their highest resolution form, so that getting them printed is easy and to ensure the crispest prints.

I'M READY TO BOOK! WHAT NEXT?!

AWESOME! I can't wait to get to know you and am so thrilled you've chosen me. To book, I require a signed contract and a 50% retainer. Dates cannot be reserved until these have been received. Contact me today and I'll send you full booking information!

The table is set with plates, glasses, and a centerpiece of white and pink flowers. In the background, there is a large white sign that says "LOVE". The scene is set in a lush, green outdoor environment with trees and foliage.
