

A Note From Beth

My approach to **Wedding Photography** is unique. I charge by hourly blocks of time and then give you ALL of the edited images.

I can also set up an online viewing gallery if you would like, for you to share with your friends and family where they can download images of their choice for no extra cost.

Weddings

\$1,000.00 - 4 hours

\$1,500.00 - 6 hours

\$2,000.00 - 8 hours

- Wedding albums available starting at \$500.
- Retouching available for free when ordering prints or an album.

Engagements & Anniversaries

\$ 399.00

(discount of \$99 provided with wedding package)

- The Engagement Photo Session Package includes the on-location photography session of your surprise engagement and then portraits of you as a newly engaged couple. You also get to choose three high-res digital images to be lightly retouched for free.
