I believe your wedding should be captured beautifully and professionally, as well as affordably. I want you to relax, be comfortable and have fun. In the whirlwind of a wedding day so much is forgotten. That's why I am there-to capture each memory.

Thank you for letting *Andrea Siebert Photography* be a part of your day.

Information

WEDDING COVERAGE.

Each package includes up to **4 hours** of coverage. This includes bride and groom portraits, family portraits and ceremony. Portraits typically start 2.5 hours before the ceremony begins. A fee of **\$75** will be charged for each additional hour.

RECEPTION.

Your reception is **not** included in your wedding package. I charge **\$50** for the first hour and **\$25** for any additional time. I must know exact hours of reception needed before your wedding day.

PORTRAIT LOCATION.

Have another spot besides your ceremony location you want to take pictures? I am flexible. Just remember to allow extra time for additional locations and that traveling is included in the hourly charge. There will be a mileage fee for 10 miles or more outside of Newton. The amount will depend on where you are getting married. Contact me for exact prices.

SAVE THE DATE.

Ready to book your day? Call me to make sure your date is still available. I require a **\$100** deposit and a signed contract. I cannot officially book your wedding day until I have received this. Your package must be **paid in full** two weeks before your wedding date.
