

Thank you for your interest in I Do for You Wedding Ceremonies. All couples are one of a kind and my ceremonies are too! Each ceremony is created especially for the couple to reflect their personalities and spirit. With that in mind, packages really do not allow for the creative process. My prices are:

A. Elopement – you, me and your witnesses along with a handful of guests and depending on travel distance usually fall into the \$175.00 to \$250.00 category.

This includes:

- Creation of your unique ceremony.
- Keepsake Ceremony booklet printed on linen paper and hard bound in black with Ribbon.
- Keepsake Marriage Certificate suitable for framing.
- Completion and filing of Marriage License with the Clerk of the Court to Register your marriage.
- Unlimited contact with me throughout the process.

B. Traditional Wedding – This is more of a venue or church ceremony with all the trimmings and this typically falls into the \$275.00 to \$325.00 range depending on rituals added (Sand Ceremony, Handfasting, etc).

- Co-Creation of your unique ceremony with my digital planner and questionnaires.
- Keepsake Ceremony booklet printed on linen paper and hard bound in color of your choice with ribbon.
- Keepsake Marriage Certificate suitable for framing.
- Completion and filing of Marriage License with the Clerk of the Court to Register your marriage.
- Unlimited contact with me throughout the process.

If your budget is tight – Please talk to me about it as we can probably work out something that will be gorgeous, unforgettable and not break your bank! All ceremonies can be changed to fit your desires. If you can think it - I can do it! As long as it doesn't break the law! Lol.
