## YOUR CEREMONY

The property of the Historic Barn @ Cooke Tavern offers a breathtaking backdrop for your big day. Home to a 33-acre nature preserve, there are several charming locations around the pond, garden, Penns Creek banks and marsh to say 'I do!' Feel free to set up tents or a trellis and add decorations that truly make the day a reflection of your love and admiration for each other.

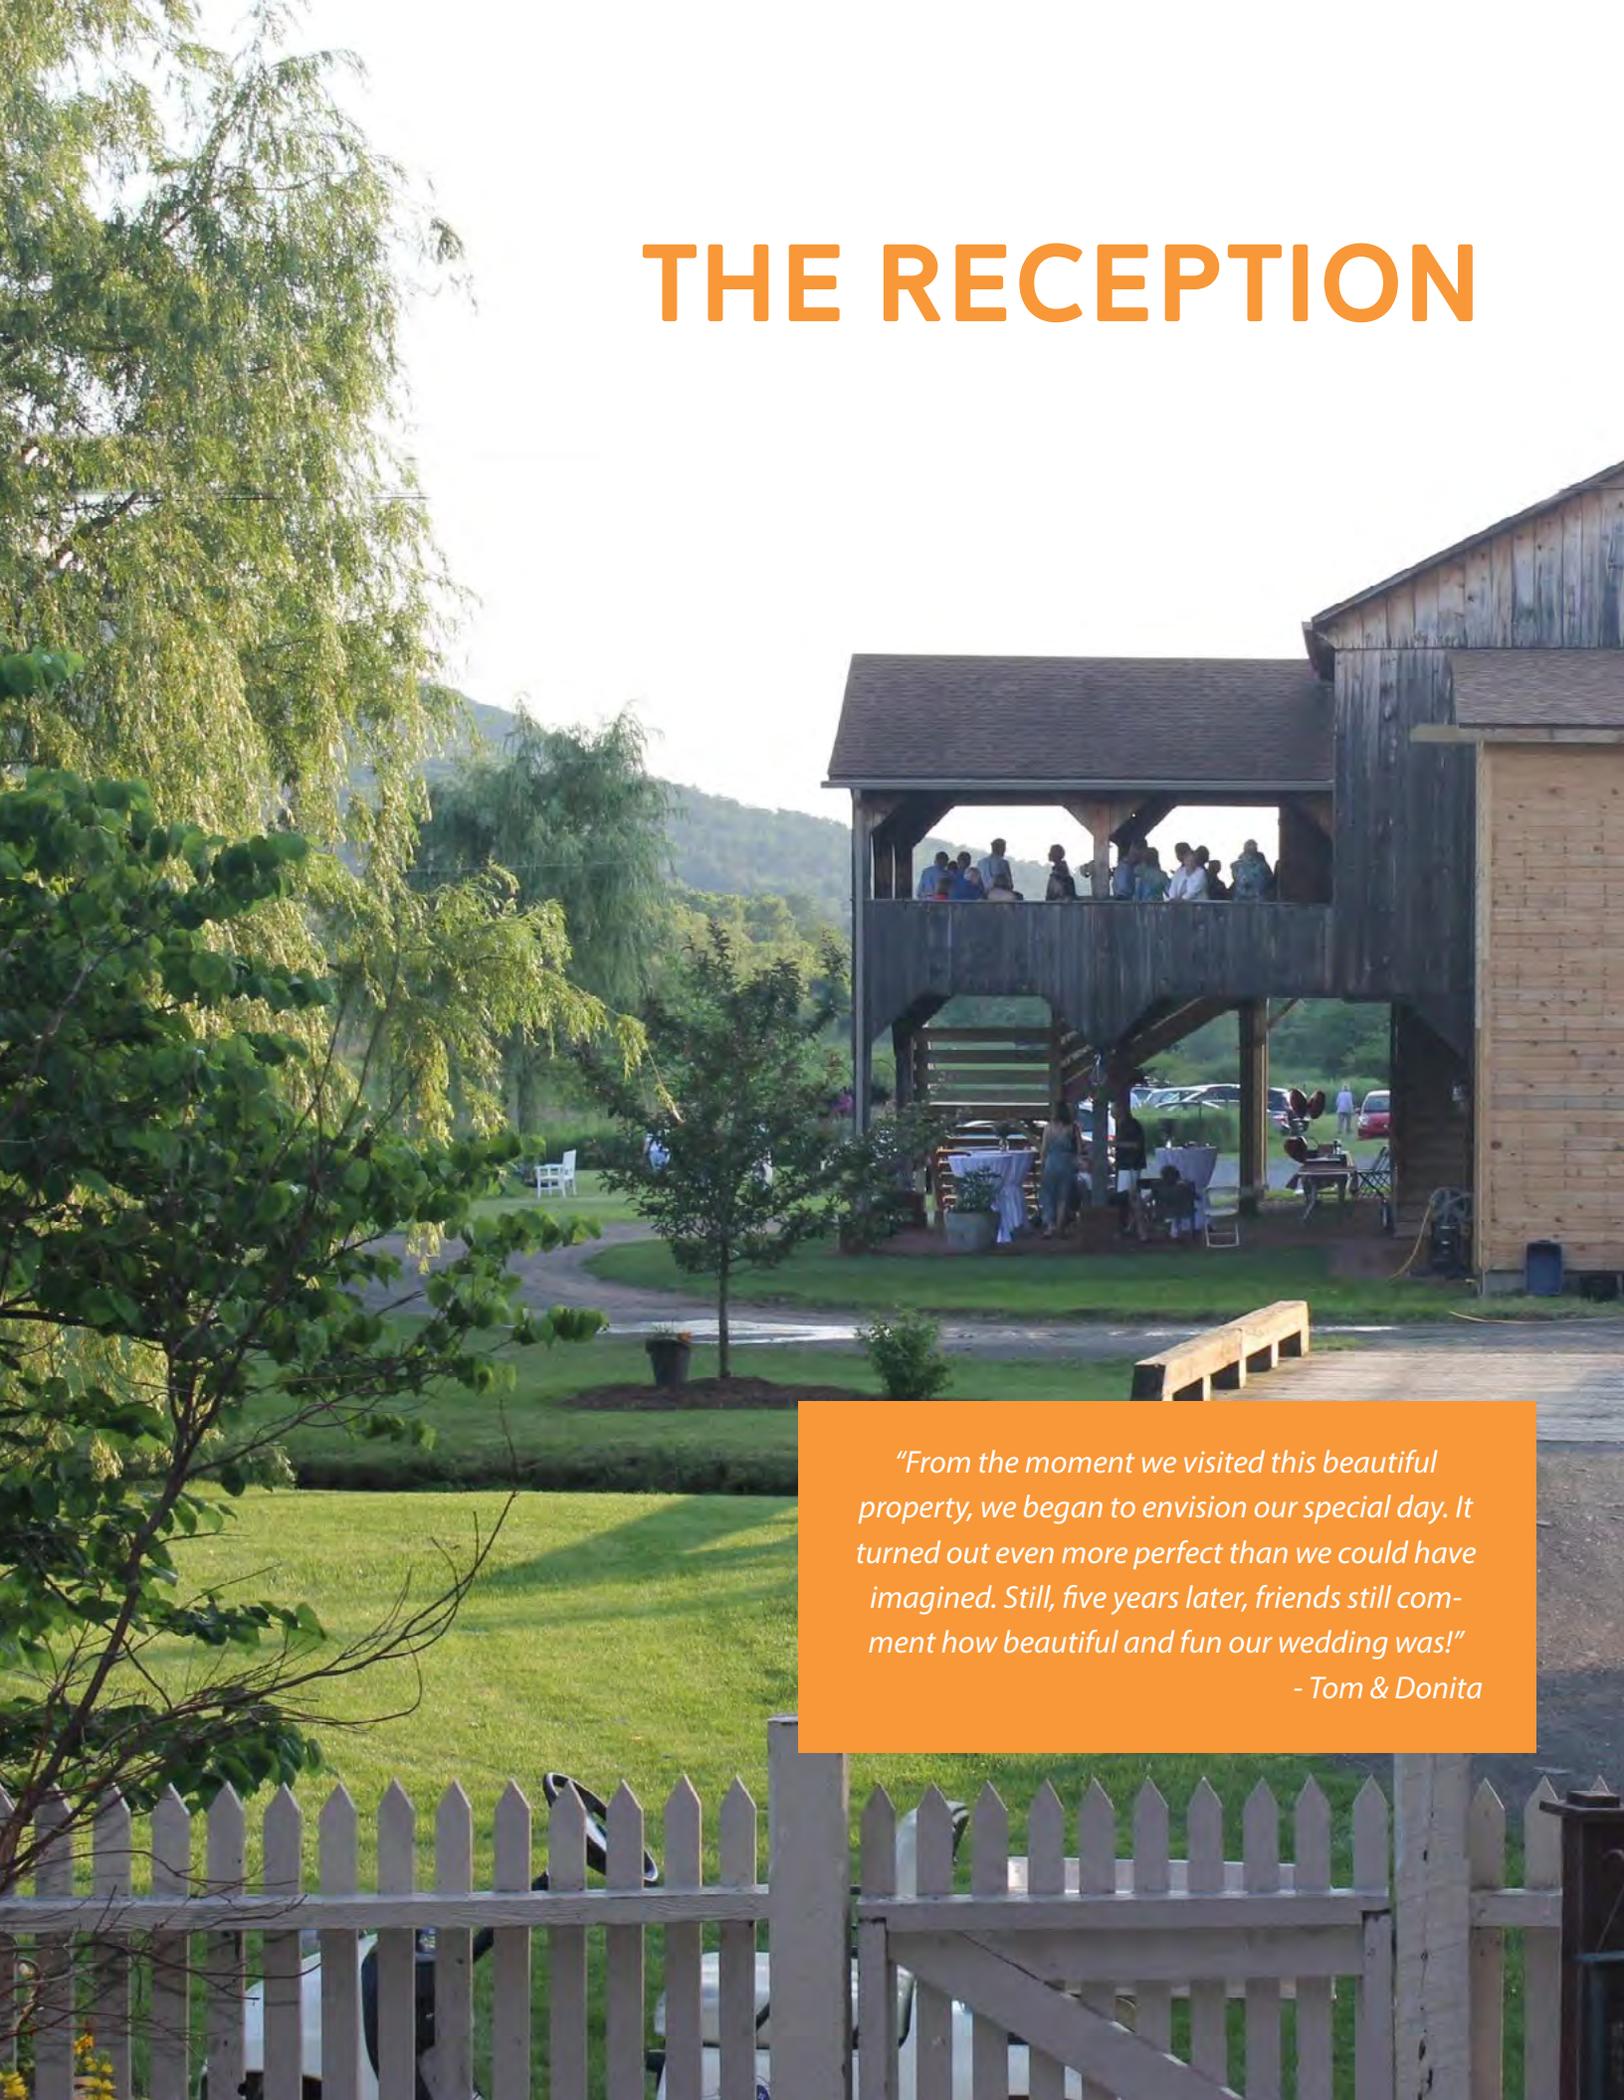

## THE COCKTAIL HOUR

Truly enjoy the moment and the natural surroundings you've chosen for your special day by planning a cocktail hour beside the pond and gardens or creating stations around the acreage's scenic spots, such as on the boardwalk, stream side or under the shady porch. Take photos, let the kids run, listen to the birds chirp, find frogs peeking from beneath the surface, and take in the bouquet of fresh native flowers.

# THE RECEPTION

*"From the moment we visited this beautiful property, we began to envision our special day. It turned out even more perfect than we could have imagined. Still, five years later, friends still comment how beautiful and fun our wedding was!"*

*- Tom & Donita*

## HOW IT WORKS FOR YOU

We don't believe in nickel-and-diming for every item and guest. You have access to 20 round tables, six rectangular tables, four high-tops and 250 white folding chairs, two bars, a stage, patio & outdoor furniture, and various decorations like galvanized tubs and watering cans. We provide clean-up so that you can enjoy your day.

## THE SPACES

Besides the 3500 sq ft of open barn space, there is a large outdoor balcony great for a bar with a birds-eye view of the grounds. The large covered patio is a perfect reprieve from lawn games. And the Airstream is a fun attraction for guests. Your caterer has access to the full commercial kitchen and catering area. The barn includes new indoor bathrooms and is completely ADA compliant with a ramp and accessible parking on the main level.

## SEE IT FOR YOURSELF

There are so many ways to utilize The Historic Barn @ Cooke Tavern for your wedding day. Please contact us to discuss your dream event and how we can accommodate you.
