Everything was so perfect for our wedding. Thanks Audra who worked so hard to make that day a dream come true. The décor was super beautiful not to mention how professional she was. I wouldn't redo a single thing if I had the chance to.

Audra is amazing! Not only did she provide all of the linens, flowers, etc but she was also our day of coordinator. She is so upbeat and personal, the perfect person to have keeping everything on track for your special day. She went above and beyond for our wedding, even making my husband's boutonniere which was simply beautiful. Audra really spent the time to get to know myself and my husband. She truly understood what we envisioned for our wedding and made it come to life! I can't recommend her enough!

Audra is so awesome!! We hired her for my wife and I's wedding and we couldn't have been happier with her close attention to detail and the Day Of Coordinator services she provided. She is so friendly and professional and she added so much peace of mind on our big day knowing everything would be taken care of. She is also very easy to contact and talk to throughout the planning process. Highly recommend Audra for any event planning services you may need! Thanks again!!

Audra did a great job working within my budget. She was punctual with all information and updates regarding the designs and plans. Wasn't easy as I am an out-of-town client and was planning a party for my mother. She designed floral centerpieces and candle holders.

Doug and I were very impressed with the attention to detail that Audra showed. Our Wedding Reception was by far one of the most beautiful experiences we've had. She coordinated the entire evening with the caterer and band. She turned an ordinary looking room into a jaw dropping site! Everyone raved on what a great job Audra did with decorating and planning our entire reception. There is no way we could have done this without her. We would highly recommend Audra to anyone planning a wedding or event. She is very high energy and worked long hours to give us the look we wanted for our reception. Audra, we thank you so very very much for making our Special Day an amazing success!!

I am very thankful that I found Audra in Thumbtack when I was looking for wedding planner/catering beginning of this year. I visited a couple of venues and sent inquiries but only Audra of Always Special Events replied quickly and with very clear offerings of what she can do for my wedding within my limited budget. She just took it upon herself, just like what she said that she is there for me not to get stress planning for my special day. The wedding went well and more than what I expected. I was very pleased of the whole color theme decoration from the extra chair sash to the small details of salt and pepper in the table. Guests were very please on how attentive Audra and Sarah to their needs. To top it all foods were excellent!!! Strongly recommending Audra and not just her wedding services but for any type of parties you will have in the future!!! Dave and I love her!!!

Audra,

Thank you very much for all your hardwork to my wedding an special fun event!!! I could not do it without you. I was very pleased from the decor to the foods at the wedding. I heard nothing but appreciation and compliment how beautiful the setting and what an excellent food!!! All the quests also said "Audra and Sarah were very attentive and pleasant". Thank you!!!

I can't even begin to explain how perfect Audra and her team made our wedding day. There wasn't a single detail that she missed. Everything ran smooth right down to the last minute. Audra took on a huge challenge with our wedding. I was a very uncoordinated and disorganized bride. From the minute we met with Audra until the day of the wedding she met every single need and answered every question we had. She went above and beyond to make our day so incredibly beautiful. Thank you and your team for not only setting up such a spectacular event, but for also coordinating and making our day perfect. We were always at ease knowing we had you. Our wedding was the most amazing day of our lives and we have you to thank for that!

Audra,

"Thank you so much for making our wedding day so special. I would have never made it through without you!"

I can't say enough about Audra's planning and professionalism. She made my event a beautiful success. I am so thankful to have had the opportunity to work with her for my special day.

I had an outside wedding/reception planned for 6 months and at last minute due to a tropical storm I had to redirect to unplanned inside venue. I only had literally 6 hours to get it all together and thank God, Audra was available at last minute to provide all the decorations and tables and chairs, etc. Not only did she find everything I needed at the last minute but also spent ALL NIGHT until around 5am to decorate and make sure that everything was in order for my 11am wedding. She was never stressed, never complained, and did it all so beautifully and magnificent! I to this day appreciate her so much for putting up with my frantic and absolute bridezilla self that I will forever be grateful and happy that my wedding ended up to be even better than I could have ever planned or expected especially under the circumstances. I had so many compliments on how great everything and beautiful it all was that I really truly do not know how I would have ever pulled it off without her. It was one of the best days of my life! I HIGHLY recommend Always Special Events.
