LIVE WEDDING GUEST ARTIST

Pricing Guide

# Hello!

Thank you so much for your interest in my live wedding paintings! I am so excited at the possibility of making the best day of your life even more unique and memorable for you and your guests. I love creating a fun, positive atmosphere for everyone who comes and visits me and know I will be making a lot of new friends at your wedding.

Typically, when you hear the words "live wedding artist" the image that pops into your mind is someone with a canvas and an easel painting the married couple's first dance or first kiss, but that's not quite what my live artist experience will be. I specialize in watercolor portraits and will be at your wedding reception (and ceremony if you would like!) to capture moments for your guests to take home with them as their favors! Don't worry, your guests will not need to stand for me the entire time while I paint them. It's as simple as snap a pic, go back to the dance floor, then pop in later to pick up your finished product! I'm looking forward to working with you to create the most amazing memories on your wedding day!

Love, Brenda

With this investment, you will be getting entertainment for your guests, a unique wedding favor for them to take home, and a once in a lifetime experience that they have likely not seen before. Each wedding package will need to be discussed in detail for each individual wedding, but the standard rates are as follows:

4 Hour Reception Package - \$2,400

5 Hour Reception Package - \$3,000

6 Hour Reception Package - \$3,600

8 Hour Reception/Ceremony Package - \$4,800

Add-on Packages vary by number of guests and hour choice.

During your reception, I will have my table set up with a tripod where guests can snap a picture for me to paint. I average one painting every 8-10 minutes, with most paintings being of couples. However, I also paint families! For a reception that has 100 guests or less, 8 hours is typically enough time to paint all guests. Add-on Packages are available at the time of booking or on your wedding day if you have more guests and would like to be able to provide a painting for everyone. While I will be working my fastest at your wedding, I am only one person and unfortunately have limitations so if you're having a larger wedding there is a chance that I may not get to everyone. These add-on paintings will be completed in my studio then shipped to you for the guests to receive after the wedding.

I look forward to hearing from you soon and can't wait to be part of your day!
