WEDDING COLLECTIONS

Welcome to Korbyn Skye Photography - I'm thrilled you're here!

First of all... THANK YOU for considering me to be your photographer. It truly means the world! I know a photographer is a big investment for you, so I want you to feel fully confident in the person you choose for the job! I created this guide to show you everything I have to offer. From my packages, to the entire wedding photography experience!

Hi!

I'm the girl behind the camera - Korbyn. You can find me spending my spare time with my partner, Jason, and our sassy corgi, Maple. We love mountain biking and being outdoors about as much as we love Trader Joe's orange chicken and a good tv show to binge. Specifically The Office or Brooklyn 99. We are very sad that we've already blown through both of them about 2-3 times together.

xx,
Korbyn

"Korbyn is the absolute best photographer. She is so personable and knows how to make anyone feel comfortable in front of the camera. i would recommend her a million times."

Why Choose Korbyn Skye?

Experience

My experience:

With 4+ years of experience in the wedding industry, I have just about seen it all... which means I've also been there to help: move timelines around, accommodate picky family members (you know the ones), make up for lost time in the timeline when hair/makeup runs long, bustled approx. 1 million wedding dresses, etc. I have also shot in every single lighting situation you can dream of: sunny, cloudy, raining, indoor lighting, dim/candle lit lighting, twinkle lights, spot lights, etc. No matter the circumstances, I am prepared to make your photos look as amazing as possible!!

YOUR experience:

Your experience with me as your wedding photographer will be nothing short of laid back/relaxed/getting-shit-done. I'm typically a very chill person. Except I function WELL on timeline/deadlines. Which makes for the best combination for a wedding photographer! I will help you create a photography timeline specifically for YOU. And when things inevitably run behind on the day-of, you won't even know it! I will help move things along on wedding day and do everything I can to allow you to do nothing but ENJOY your day. Because you absolutely should... it goes by TOO quickly for you to be stressing/worrying about things on the day-of. I also send over a questionnaire that asks you all the questions I need to know in order to capture everything you want on your day!! Communication is my priority with my couples. The more, the merrier!

Ease

Last, but certainly not least...

I can guarantee you, you will not have to worry about capturing the photos you want/dreamed of for your wedding day. Not only that, but you will be surprised at how easy it is to be in front of the camera! If you are camera shy, awkward, etc... fear not! About 95% of the couples I've shot told me the same exact thing. With my experience, I held guide/direct/pose you throughout your entire engagement session/wedding. Your only job is to show up and enjoy your time together!

I also have Client Guides specifically for your engagement shoot. This will help you choose: locations, outfits, colors, etc. My job is not just to show up/shoot. I am here to help you/guide you with every photo question/need you may have!

Images delivered varies per wedding. I promise no less than the number listed above, but I deliver the moments that matter. Images delivered per wedding typically doesn't exceed 1200 images, but I do not limit them to the number you see above.

BOOKING FEE

I require a non-refundable retainer of \$1,000 to book any package. Once booked, the final payment is due one month before wedding day. (Alternate payment plans are available upon asking, but all payments are final. The retainer fee is nonnegotiable.)

HOW MUCH COVERAGE DO YOU NEED?

how to choose the right coverage

Each one of these choices plays a key role in how much coverage you might need.

ON AVERAGE, 8 hours of coverage is the perfect amount of time.

This wedding typically looks like:

First Look, Getting Ready at the venue (or Airbnb/house is only 5-10 min away), Average Ceremony Time (15-20 min), Reception has buffet line/food truck, Reception Events are your typical: dances/toasts/cake/etc., Grand Exit -or- Mock Exit (depending on the crowd/reception vibes)

Coverage includes time for:

Detail photos, Getting Ready, First Looks, Ceremony, Family, Wedding Party, Bride + Groom, Reception Events, Grand/Mock Exit.

The **10 hour package** is perfect for a wedding with a little more planned and more travel time.

This wedding typically looks like:

No First Look OR First Look, Getting Ready at two separate Airbnbs/locations (men at one, ladies at the other), Ceremony is 30+ min., Large Family photos (lots of family to include), Wedding Party is 5+ people per side (the more people in the wedding party, the more time we need for those photos!), Sit-down dining at reception, Reception Events are more elaborate (choreographed dances/long toasts/videos/etc.), Wants a traditional Grand Exit but also wants time to party/dance at reception.

ALL those little things add up and take more time to shoot. If you DO plan on doing these extra things, we can add more hours to the 10-hour package as well. Consult me and I will help you create the perfect package for you.

A 6 hour package is usually good for weddings that look like:

Small/Intimate weddings (usually 20-30 guests, no more than 50!), No wedding party, Not interested in having flat lay detail photos (stationary/jewelry/perfume/dress/etc.).

Getting ready at the venue, doing a first look (or not), minimal family photos, average to short reception, etc. Basically, just looking for coverage of the events and keeping things small/short and simple. Great for a chill backyard wedding, intimate elopement, etc.

The 6 hour package is reserved for very small weddings. This is chosen by consultation ONLY.

I will not book a 6 hour package without first speaking to you over the phone to fully understand your wants/needs for wedding day coverage. There's a few reasons why... for a FULL wedding day, 6 hours is just usually not enough time to capture everything. I've done it many times before and it's usually very rushed. Some weddings are the perfect exception, so if you feel like 6 hours is all you need please schedule a call with me and I'd be happy to talk about it!

I HELP YOU CRAFT A TIMELINE THAT WORKS BEST FOR YOUR DAY.

THINGS TO KEEP IN MIND: THE SUNSET CHANGES DRAMATICALLY DEPENDING ON THE TIME OF YEAR.
IF YOU ARE DOING A FIRST LOOK/NOT DOING A FIRST LOOK, IT MAKES A DIFFERENCE FOR THE TIMELINE.

8-HOURS - NO FIRST LOOK TIMELINE - JULY 22 (SUMMER WEDDING)

3	PHOTOGRAPHERS ARRIVE/BEGIN DETAIL PHOTOS
4	GETTING READY PHOTOS
4:30	BRIDE IN DRESS
5	WEDDING PARTY PHOTOS (GUYS/GIRLS SEPARATE)
5:30	EVERYONE TUCKED AWAY FOR CEREMONY

11	COVERAGE ENDS/GRAND EXIT

These timelines are just good examples of how I create a timeline for your day based on if you are/are not having a first look. A rule of thumb I like to follow is: whatever coverage you booked me for, I split that time in half and do half before the ceremony and half after. (This is a great way to estimate how much coverage you think you need). For example: if you booked a 10 hour package and you want to have your ceremony at 6pm, I will likely be there from 1-11. Every wedding is different, so it doesn't always work out like that. But it's a good starting point.
