

Ceremony by Rachael, LLC Ceremony Pricing Guide

Every couple is unique and special; I understand and appreciate that, so your wedding ceremony should be too! I will work with you without prejudice to help you create a memorable ceremony that reflects your personal style. Whether you opt for a more traditional service or would prefer to break the mold and customize your day, I will be there for every step of the way!

With this in mind, I will do my best to accommodate your ceremony needs and budget. Please note that your specific pricing will be based on a number of factors including date, time, and location.
