

## Ceremony by Rachael, LLC Ceremony Pricing Guide

I understand and appreciate that every couple is unique and special, so your wedding ceremony should be too! I will work with you without prejudice to help you create a memorable ceremony that reflects your personal style. Whether you opt for a more traditional service or would prefer to break the mold and customize your day, I will be there for every step of the way!

With this in mind, I will do my best to accommodate your ceremony needs and budget. Please note that your specific pricing will be based on several factors including date, time, and location, and discounts are often given specific times of year, locations, and venues.
