What's it all mean?

Hours of Coverage

From start to finish, this is when your videographer will be there. Not sure how long is needed? Provide times and locations of your events and let us give you our suggestion!

Consultation

It is important that the videographer is familiar with your plans and what you envision. So a consultation is planned to go over final details so no surprises come up on your wedding day!

Video Editing

Shooting your wedding is only half the work. Full-service editing is included to make your wedding look like a featured film!

Highlight Video

This 5-7 minute version features highlights of your day paired with your favorite music. Perfect for sharing on social media to recap your special day.

DVD Video

This features everything in more of its entirety, including speeches, ceremony, dances, etc. We do try and keep this a watchable length so items may be shortened.

Raw Footage

Don't see something on the DVD? Don't worry, you can find it here! We provide raw footage on flash drive so you have access to ALL the clips captured throughout the day! *Don't forget to back up a copy!*

Next Day Edit

Get your edited FAST so you can share it with all your friends any family, the next day!!!

Teaser Video

Do you use #Instagram? This 15 second recap is perfect to share with your follower! *Don't forget your #hashtags!*

Engagement Video

Perfect to announce your proposal or tell your love story in a creative video segment. It can include how you met, what you love about each other and any other fun details!
