FAQ's

How early should I book my appointment with you?

The earlier you book the better chance you have to guarantee your desired time & date. Appointment times + dates are available on a first come first serve basis.

What are your prices?

Please see above! For bookings of a larger scale, please send me as many details as possible (time, date, number of people, location, etc.) and a customized proposal will be created for you!

Do you charge a travel fee?

Yes & No. I do not charge a travel fee for locations within a 20min radius of area code 22305. If your location takes longer than that I charge based on the government mileage rate. Also, where parking, valet or other fees may be incurred because of parking limitations, you will be held responsible for this payment, to be paid on event date.

Do you take early morning appointments? No, I mean REALLY early...

Yes! For any service requiring an arrival time prior to 8:30am, an early morning fee will apply. For an arrival time prior to 5:30am, overnight accommodations must also be provided.

What makeup do I need to have for my service?

Nothing! I travel to your desired location with everything we will need. You do not need any of your own makeup for your service but (although absolutely unnecessary) are more than welcome to bring products you never do your makeup without.

How do I guarantee my date? Do I need a deposit? How much would it be?

In order to get an appointment on the books a deposit and completed contract is required. Your deposit will be a portion of your service fee, not an additional charge.

What if I have to cancel or change my date?

Appointments cancelled within a month forfeit the deposit made. Appointments cancelled within a week are required to pay half of the total listed on the contract. Appointments cancelled within 24 hours are required to pay the total listed on the contract in full. Appointment changes prior to a month out are allowed. Appointment changes within a month forfeit the deposit made, with a new deposit being required to hold the new date. I recommend not booking until you are sure of your details!

What are your accepted forms of payment? When is payment due?

All credit cards are accepted, as well as cash. Checks or money orders are not valid forms of payment. Your total should be paid in full at the end of your service.

I'm a bride, can I be the only one to get my makeup done?

Absolutely! However, due to my demand I do have a day of minimum of \$500.

I'm a bride and have an extremely large bridal party with a small window to get ready, can you still accommodate me?

Yes! For larger bookings with less time I do require an assistant, to be paid for by the client.

I need my hair done, can you help?

I am not a hairstylist. For bridal parties or larger groups, I do have a few hair stylists who I work with, I'd be more than happy to share their information with you and play logistics coordinator for your special day.
