

The Tipsy Grape

Mobile Bar, Presented by The Grapevine

We are fully licensed by the VA ABC, insured, and have decades of catering experience to ensure highly quality alcoholic beverage service for your private event! We handle all the details to reduce your stress and allow you to enjoy your event. There are two pricing systems available depending on your needs: **package** and **consumption**. The key difference is that the packages are a flat rate charged by the day of the event. Consumption pricing is based on the total number of beverages served and is charged after the event.

Price Packages

These packages are charged per adult, per hour of operation. For example, a wedding party of 100 adults with the house liquor for four hours would be (100 adults x \$27 = \$2700). A corporate party of 50 adults with beer and wine for three hours would be (50 adults x \$19 = \$950).
