

Hello from Pastor Heath Weddings:

If you are in need of a wedding officiant, I've been performing wedding ceremonies and vow renewals for over 20 years, and I count it an immense privilege to be a part of one of life's most joyous occasions. Your ceremony is the heart and soul of your wedding day and it would be my pleasure to work with you, creating a ceremony that is both meaningful and memorable.

If you would like to see some ceremony samples and/or have any questions, please contact me. I look forward to officiating your ceremony and being a part of your special day!

FAQs:

Where do you perform ceremonies?

Wherever you desire - churches, beaches, community centers, restaurants/pubs, parks, reception halls, etc. I will help you make any location work!

What are your ceremonies like?

I perform wedding and wedding vow renewal ceremonies and I help each couple to choose their own type of service - traditional, contemporary, religious, non-religious or a happy mix of all of the above.

Couples also have the opportunity to choose their own order of service and vows from a range of options and samples provided by me, or, together, the couple and I will work on a custom tailored wedding ceremony - uniquely crafter to fit them as a couple.

Either way, this is YOUR wedding ceremony! My job is to ensure that it's exactly what you want.

What does it cost?

Memorable wedding & vow renewal ceremonies range from \$165 to \$230.

- \$165 - *Keep It Simple* - introductory words, exchanging of vows and rings, pronouncement, etc. (A short but meaningful ceremony. It takes about 15 minutes.)
- \$230 - *Your Ceremony* - choose from a provided list of samples and meaningful ceremony options. Each part is fully customizable.

Deposit:

- A \$100 deposit officially puts you on my calendar and locks in your wedding date/time. Each package includes ceremony consultations and marriage license signing.

Other Expense:

- \$75 - Wedding Rehearsal (highly recommended if you have a wedding party and no coordinator)
- \$50+ - Travel fee for any wedding outside of the immediate Tampa Bay Area.

Can you provide an audio system?

Yes, for \$105 we will provide and run a small PA system for the wedding ceremony (not the reception). System details: 200 watt, two XLR-1/4" combo inputs for mics or instruments, 1/8" aux input, mic stands, etc.

Where do we get our marriage license?

Your local courthouse is where you attain your marriage license. Both you and your fiancé must be there, with proper ID, to sign for your marriage license. (FYI - In Florida, couples who receive premarital counseling receive a discount when purchasing their marriage license.)

Do you take care of signing and filing our marriage license?

Yes. Once you attain your license from your local courthouse, I take care of the rest!

Do you know other local wedding vendors?

Yes. If you are in need of a DJ and sound system, photographer, wedding venues, catering, bartenders, etc. just ask! With over 20 years of local industry experience, I can connect you to an excellent wedding vendor!

Your ceremony is the heart and soul of your wedding or vow renewal and I would be honored to play a part! I look forward to hearing from you.
