

officiant phil gallagher

Anyone who knows me would tell you that I love to laugh, I love connecting with people of all ages and I have a unique outlook on life. I have worn many "hats" over the years. I have been a shoe salesman, a DJ, an emcee, a public speaker, a Spiritual Formation Director, a photographer's assistant, and a drummer. Currently, I am a husband to my college sweetheart, a father to three sons and an Executive Director of a non-profit organization called *More To Life* that my wife and I started in 2015. I am a storyteller and enjoy drawing attention to the depth and meaning of life's most sacred (and most ordinary) moments... which is why I love officiating weddings!

Every wedding ceremony should reflect the story, heart and personality of the couple. I'll craft a script to be as spiritual or secular as you are... as formal or laid back as you are... or as traditional or contemporary as you are. And all of my packages are all-inclusive providing these services: 1 initial "meeting," unlimited telephone/email consultations, wedding script handcrafted by me, rehearsal attendance (whenever possible), early pre-wedding arrival, ceremony performance, and license Filing (mailed).

Packages:

\$500 ELOPEMENT

The two of you say "I do" with a tailored script.

\$650 INTIMATE CEREMONY

A customized ceremony with your "inner circle" of up to 50 friends and family.

\$800 CLASSIC WEDDING

Everyone is invited, and this moment will be unforgettable because it is all about YOU!

Also note that there will be a Travel Fee for venues that are more than 1 hour away from Breckenridge (\$60 per hour of drive time). Keep in mind that to officially book me and reserve your date, you must sign and return my contract with a non-refundable 50% deposit. Seeing as how I receive multiple inquiries every day, I can't "hold" dates without an official booking.

Contact me today about availability and to schedule an introductory "meeting" to let you determine if we are truly a good fit. This meeting can be in person or even over the phone or via Skype/FaceTime. After our initial introduction, I'll offer a questionnaire to better help gauge your hopes and expectations before I arrange some sample drafts. Then we'll work one-on-two, to co-create a ceremony that is beautifully written and thoughtfully arranged with a warm, personalized feel, incorporating every special tradition or element you request. I look forward to hearing from you!
