Let's face it, having the right music and entertainment is one of the major keys to making your reception successful and fun. I've been a professional DJ and Master of Ceremonies for over 10 years and in that time have helped hundreds of couples achieve amazing results with their wedding receptions. My professional experience began as the Entertainment Director for all of Walter Payton's properties here in Chicagoland. Our DJs are highly sought after for their expertise in entertaining, proper music programming, and timing. I am **NOT** a “cookie cutter” DJ company with many many DJs to book. What I offer is **HIGHLY PERSONALIZED, UNIQUE & UNFORGETTABLY FUN** Wedding Receptions with only the Top Entertainers in the field.

Here Are 4 Powerful Reasons You Should Let Me Help You Create The Wedding Reception Of Your Dreams...

Power Reason #1: THE MOST COMPLETE WEDDING PLANNING. From our initial meeting to the finalization of the timeline, I take care of every reception detail, so you are free to *enjoy every moment* of your special day. I work with you and your other vendors to create a seamless timeline. This assures that your event is smooth and stress-free.

Power Reason #2: ORIGINAL, ROMANTIC & FUN IDEAS! I would love to share with you some of the greatest original ideas to make your wedding reception unforgettable! When we get together, I will show you Original Love Stories, Personal Recordings and more special touches that you will only see with Imperial Music and Entertainment.

Power Reason #3: MORE THAN JUST MUSIC! Not only do I have the most up-to-date music collection on the planet, but if you want to learn the latest dance craze or create some new ones, we can do that too. Imagine your family and friends on the dance floor! I am also in constant contact with your photographer and videographer, so they don't miss a single photo opportunity! Together we will create memories that will last a lifetime!

Power Reason #4: EXPERIENCE, EXPERIENCE, EXPERIENCE. I got my start in the Event Planning and Entertainment Industry in 1991 working for the late Walter Payton as a DJ and Entertainment Director for his chain of properties including 34's, America's Bar, Pacific Club, and Studebaker's. Since then, I have worked with many celebrities and shared the stage with Carmen Elektra, The Eagles, Darren Henson/the choreographer for the groups NSync, Britney Spears and others, and En Vogue just to name a few. My professional experience will assure your Wedding Reception will be Unforgettable, Romantic, and most-of-all... **FUN!**
