

## Celebrating in Style

On the hill behind the Main Barn, our state-of-the-art post & beam pavilion provides couples with a rustic, elegant space for dinner & dancing on Saturday evening. This space is conveniently located next to the ceremony site and encompasses a stunning pergola.

The Main Barn building is home to eight of eighteen inn rooms, as well as both our dining room and pub. This is the hub of activity for the weekend from the Welcome Gathering, Rehearsal Dinner, and breakfast each morning.

Adjacent to the Main Barn is the Farmhouse, housing two bunk-style rooms. Just across the parking lot sits the Longhouse & Annex comprised of an additional eight inn rooms and offering a bit of privacy from the hustle & bustle of the main events.

## Friday

Guests arrive for the weekend and check into our 18 boutique inn accommodations. [Optional] rehearsal dinner takes place in our dining room, followed by a "Welcome Gathering" in the pub where your friends and family join together to start the weekend celebrations
