Your Wedding, Your Way

One of the wonderful things about having your wedding at the C Lazy U is that all weddings have exclusive use of the ranch.

In order to provide exclusivity wedding parties are asked to guarantee a minimum number of on-ranch guests for at least 2 nights of their wedding weekend; this is called a lodging commitment. The lodging commitment fluctuates from season to season, and only if the number of on-ranch guests falls short of the lodging commitment would you be required to pay the shortfall.

Offsite guests will be charged \$125 per guest per day. The ranch limits offsite guests to 10 in total each day. Offsite guests are only allowed to attend the rehearsal dinner, ceremony and reception. The wedding party is responsible for the payment of these guests.

Lodging Commitment - 2 night minimum is required

	High Season June-Oct	Low Season Nov-May
--	-------------------------	-----------------------

Minimum Number of Guests	70	50
Maximum Number of Guests	90	90

Required Site Fees - Paid by wedding party

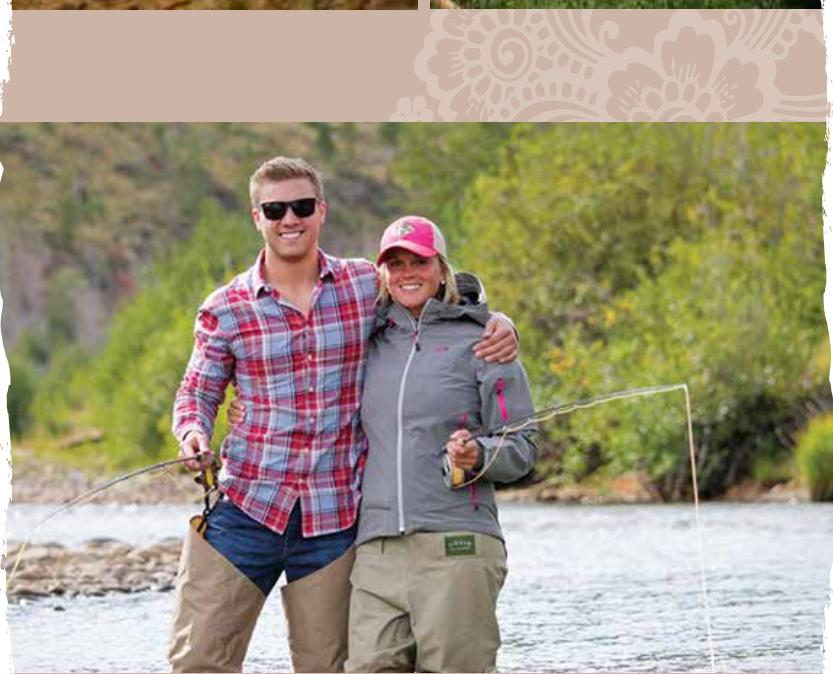

Ceremony Site Fee	\$3,500	\$2,500
Rehearsal Dinner Site Fee	\$4,500	\$3,500
Reception Dinner Site Fee	\$12,500	\$4,500

Because lodging rates include the cost of all meals, horseback riding and most ranch activities your only other expenses are likely to be:

Alcohol, Décor and Floral, Band/DJ, Photographer, Outside Wedding Planner
Upgrades to base packages – linens, flatware, glassware, dinnerware, lighting, décor etc.

C Lazy U Ranch Wedding Q&A:

Can I subsidize my guests' nightly rates?

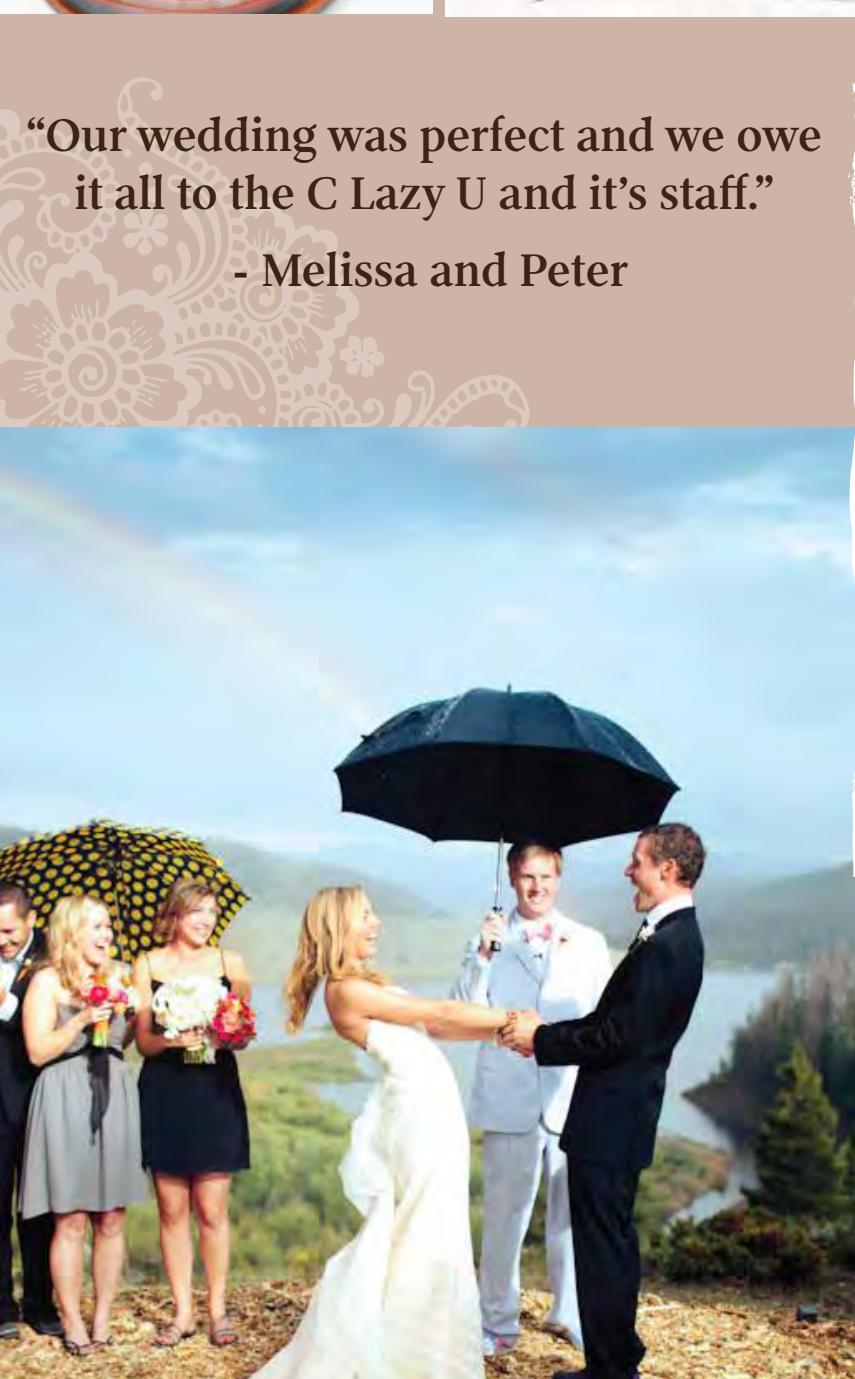

Of course! We are happy to work with you to customize your guests' rates in whatever way you feel most comfortable! Most weddings typically set a nightly rate for guests to pay between \$175 to \$265 per guest per night and the wedding party covers the difference, if any.

Do my guests have to stay on ranch?

Yes, we do require that all guests stay on-ranch. Special exceptions to offsite guests may be made and are limited (see page 5 for details). The ranch does not allow guests staying offsite to participate in meals or activities outside of the wedding rehearsal dinner, ceremony and reception.

How many people can stay on ranch?

The ranch can accommodate between 50 to 90 guests on-ranch, depending on how your guests are arranged in our cabins.

Bar Program

Beer: The beer selection at the Ranch is made up of some of the finest, hand crafted, local brews that Colorado has to offer. We maintain an excellent balance by also providing some more familiar domestic and international beer options, and can offer bottle or draft service.

Liquor: In addition to common bar offerings, C Lazy U may develop house infused liquors, or signature cocktails drinks that will compliment your food selections, or event theme. We have the ability to source many different varieties of liquor to best suit your needs.

Wine Service: C Lazy U's Sommelier prides herself on bringing some of the finest wines in the world to our corner of the Colorado Rocky Mountains. From some of the largest vineyards in the country to much smaller and more heavily allocated vineyards, we work with a vast array of purveyors to provide a selection that is sure to satisfy. These relationships enable us to locate your personal selections and provide you and your guests as many options as possible.

Bar Packages: Like everything at the C Lazy U Ranch even your bar package is customizable. From simple pairings to custom cocktails, to an extensive array of the finest craft beers on draught for the most discerning palates, the choices are endless!

The C Lazy U observes Colorado State Liquor Law, which prohibits the sale or service of alcohol from a source other than our own vendors.
