After 17 years Because of You ~I still Love what I Do!  
We Create Your Marriage Ceremony - Your Way!

I am an Ordained Interfaith Minister. I travel, officiate and create marriage ceremonies that align with the Couple's vision. We create the Marriage Ceremony together! This is what makes every Ceremony Special & Unique. I have created and officiated Over 300 Ceremonies. In 16 years, Couples and their families have valued my experience and professionalism because of my attention to the little things and most of all they know I care! We have fun and I earn their trust.

This allows less worrying = less stress!

Your Wedding Day one of the most important days of your life. I carefully listen to what you want and don't want! I love seeing Couples get excited when your their unique Personalized Marriage Ceremony comes to life.

After our first meeting... what do I hear most? "We are so excited about our ceremony...now!"

Some say, I am a Wedding Ceremony Consultant. Many couples say, we don't know where to begin. I say, Let me show you how 'we' do it! We meet, I listen. I have pages of readings and vows to choose from or you can write your own or both. Just one rule.. There are no shoulds!  
Only what you love goes into your marriage ceremony. You can be as involved as you want.

Your ceremony turns out beautiful and special because we create and PERSONALIZE your marriage ceremony... together.

You tell me what you want, like & love.. I do the rest. This is why your ceremony will be Unique and One of a Kind! I pay attention to the details, the little things, special situations and your traditions.

Typically there are 4-5 meetings and I schedule meetings so there is time for 1 more if needed. Some couples want/need more time in making decisions and choices

Pre-ceremony facilitation is: I arrive 90min early to make sure everything for and in your ceremony is ready. I check in with your musicians or DJ. I help seat your guests with your Ushers. We start on time! It is important that your guests are taken care of so you can focus on getting ready and enjoying your day with out stress and worry of what is happening with your family and friends.
