

WEDDING PACKAGES & PRICING

Choosing the package for your wedding will depend on several things, including how your wedding will be organized, how much you love photo albums, and of course your budget. Here are the collections I offer, but please know that adjustments can of course be made for your particular requests!

Complete Collection

In addition to the full day wedding coverage without limits, this collection includes coverage of the next day's Brunch with family and friends. If you prefer, this can also be a fun couple's shoot to let loose either before or after the wedding day!

A beautiful wedding album is also included, with more pages and a bigger spread. This is the collection for couples who want to share even more moments with their close ones and keep reliving their wedding day on paper.

- Full day wedding coverage
- Couple's shoot or Next day Brunch coverage
- Images on Online Gallery
- [Premium Wedding album](#) - 30 x 30 cm - 50 pages

3,350 EUR

Classic Collection

This collection includes coverage of your entire wedding day and dancefloor moments, allowing you to appreciate your day without missing anything!

You will also receive a lovely wedding album prepared by me with care and with your choice of images. A perfect coffee table size to show your guests when you have them over, or to look at with your children on rainy Sunday afternoons.

- Full day wedding coverage
- Images on Online Gallery
- [Classic Wedding album](#) - 23 x 23 cm - 40 pages

2,670 EUR

*ALSO AVAILABLE WITHOUT THE ALBUM AT 2,340 EUR

Essential Collection

The essential moments captured, from preparations to the cocktail or from the ceremony to the dance floor.

This is the perfect choice for couples who prefer a shorter coverage of their wedding and to view their images on their gallery to share with friends, but do not necessarily wish to have a paper album.

- 9 hour wedding coverage
- Images on Online Gallery

1,800 EUR

Eclipse Collection

This collection includes coverage of all the key moments in a documentary style during a 4 hour period for short civil weddings or elopements in the Paris area!

This collection can include an option album or booklet with your images.

- 4 hour wedding coverage
- Images on Online Gallery
- Photo Booklet - 20 pages - 22x22cm

950 EUR

Included in ALL COLLECTIONS

- Pre-wedding consultation
- In person meeting shortly before the wedding (or videoconference)
- Couple and group shots on the wedding day
- Retouched photos chosen by the photographer
- Online gallery for downloading and sharing with guests accessible 6 months
- Travel costs up to 80 km return from Paris

SEE ALBUMS

Every photographer is different, make sure you choose the one for you!

Before your wedding, I am all about having as much information about you and the day as possible. I like to be organized!

But, once I am at your wedding, I work with the moment, in a documentary style, capturing important moments, but also small moments that could easily be missed which make the day even more special.
