Wedding Pricing

Hello!

Congratulations on your engagement and upcoming wedding! What an exciting time! I'm a believer in love and marriage and I'm always thrilled for the opportunity to capture connections and special moments as beautifully as I can, and I still get a little emotional at every wedding. It's an honor to be considered to document this big moment in your lives.

I want the best for my couples so I do limit the amount of weddings I commit to each calendar year. This will guarantee each client my best service and highest quality.

In this guide, I've included my current pricing for all things wedding photography. As you look this over, feel free to contact me with any questions that arise.

XOXO,

Jillian

Add-Ons

I love the opportunity to get together with my couples before the wedding day! Engagement and first look sessions make for super fun and memorable date nights and result in fabulous pictures!

ENGAGEMENT SESSION

$375

Taken on location. Up to two hours. One outfit change is recommended. (I have a growing client closet you can borrow outfits from). We work together to plan something that is special and unique to you!
Pictures taken at your engagement session will be useful for invitations, decorations, and more!
Comes with 10 digital images of your choice.

SOLO E-SESSION

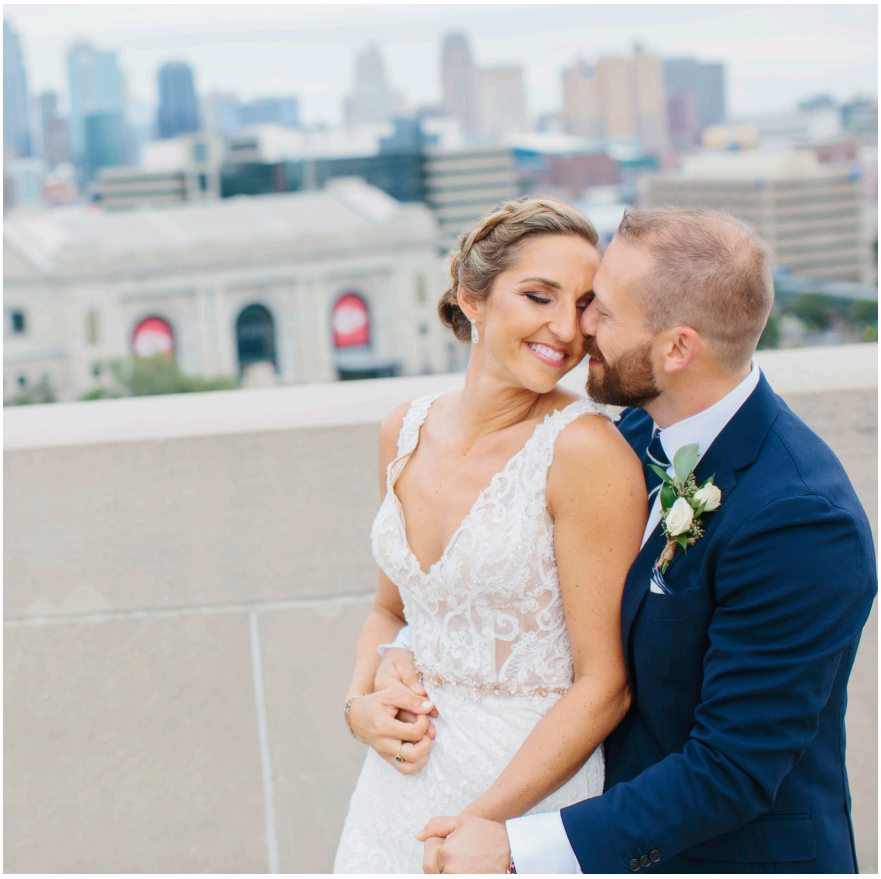
$500

Just need engagement pictures without a wedding package? This is your option :)

FIRST LOOK SESSION

$375

A little untraditional, but after a few of these resulted in absolutely gorgeous portraits - I was sold! (If you prefer a bridal session only, that's another way to do it). About two weeks before your wedding, schedule a trial run on hair and makeup (bouquet optional) and get beautiful sunset couples pictures without the stress of waiting guests.
Comes with 10 digital images of your choice.



The Reveal Session

About one month after your wedding, we'll set up a reveal session. Held at my home office in Liberty, these are designed to be special times where you can relive the big day together and look over all the edited images conveniently assembled in a slideshow.

You can shop my many album options and other beautiful ways to display or gift your favorite images.

I'll have 4x6 proofs of your portraits to help you when determining your desired order.

A $50 gift card for dinner at the restaurant of your choice is included.

Testimonials

WHAT MY CLIENTS ARE SAYING...

"Jillian did our first look and wedding photography. She was very professional and knowledgeable on how to capture this moment and we couldn't be more excited with the results! She was prepared with many different ideas to try or you can show up with your own. We had large amounts of wind during our session and she still made us look great! Jillian is also great for large groups. She was able to gather up our families quickly and knew exactly how to position everyone and make the kids smile and feel comfortable. Excellent experience! Will recommend to anyone looking to get their pictures taken."
-Wiley

"It was a pleasure working with Jillian. She was able to turn a cloudy day into beautiful pictures. We will cherish our pictures for many years!"

-Ashley

"Jillian is an amazing photographer who comes prepared for each photo shoot. We had her take our engagement and wedding photos and she captured amazing views and she had poses prepared for us to do. Overall, I'd give her 11 out of 10 stars! She's very easy to work with and is willing to try different ideas that you may have and her prints look amazing!"
