production rates, secondary sound system and ceremony rates apply only if the dance band is booked for the reception
prices are for a 20 mile radius from our home base in Lake Oswego, Oregon
Destination events are \$1.50 / mile for cargo van & \$1 / mile passenger car
Please inquire about larger distance events, we can travel anywhere !

. . . why would you want the entertainers be in charge of their own sound?

Compatibility with all equipment components is guaranteed.
It is in the band's interest to create the perfect atmosphere for your event
and that the musicians and singers sound their best

We'll see you at your event !
