This is a binding contract that incorporates the entire understanding of the parties, and any modifications must be in writing, signed by both parties, and physically attached to the original agreement. The laws of the State of Louisiana shall govern this contract, and any resulting arbitration shall take place within Orleans Parish, Louisiana. Client assumes responsibility for all collection costs and legal fees incurred by Marc Pagani Photography should enforcement of this contract become necessary. In the event that any part of this Agreement is found to be invalid or unenforceable, the remainder of this Agreement shall remain valid and enforceable. Any failure by one or both parties to enforce a provision of this Agreement shall not constitute a waiver of any other portion or provision of this agreement.

2. Upon client's signature on this contract OR upon non-refundable, non-transferable reservation retainer paid (if retainer is placed before contract is signed, retainer will be considered a form of contract), Marc Pagani Photography reserves the time and date agreed upon, and will not make other reservations for that time and date. For this reason, all retainers are non-refundable. Upon client's signature on this contract, a 50% retainer must be paid within 7 days of client's signature. In case of wedding cancellation, or client choosing not to retain Marc Pagani Photography's service after client has signed this contract, cancellation must be made in writing, signed by the Client, and sent via Certified Mail to Marc Pagani Photography by the United States Post Office. If Client fails to supply written cancellation as specified before the wedding date or cancels within 30 days of the wedding date, Client shall be required to pay the full balance due. Returned checks will be assessed a \$50 non-sufficient funds fee, and all future purchases/payments must be paid by Cashiers Check.

Second (final) payments made by check will not be assessed a charge.

4. If needed, extra hours of coverage, all parking costs regardless of wedding location, travel fees (if wedding is more than 20 miles from Marc Pagani Photography studio/office location), and/or costs for transporting photographer(s)/assistants back to his/their vehicle if Client requests that photographer(s)/assistant travel with Client will be collected either at the wedding or within 7 days after the wedding.
5. Client agrees to provide meal for Marc Pagani or Marc Pagani Photography's associate or assigned photographer and assistant (if used) during reception.
6. Reprint costs will reflect prices that are current at the time print order is placed. This may or may not be the same as print prices when contract is signed. Tax cost will reflect the tax rate that is current on the date of the event. Overall package cost (minus taxes) will reflect prices that are current when the contract is signed and/or retainer is paid, regardless of subsequent changes made to package pricing at any point after contract is signed and/or retainer is paid.
7. A PIN used to download client's digital image files will be available to Client upon expiration of online gallery.
8. In the unforeseen situation or circumstance that the photographer assigned for the event is unable to attend, Client agrees to accept a replacement photographer assigned by Marc Pagani Photography. In the unlikely case that there is a complete loss/damage of digital files or film negatives (photographs) or complete failure to make and/or deliver digital files or film negatives (photographs) for any reason, all money received by Marc Pagani Photography, minus expenses, will be returned to Client, and Marc Pagani Photography, or Marc Pagani Photography's associate or assigned photographer shall have no further liability with respect to this agreement.
9. Liability for a partial loss of digital files and/or film negatives shall be a pro-rated portion of the total monies paid based on the percentage of total images that were photographed versus the total number of images that were damaged/corrupted/lost/missing. Every reasonable effort will be made to take requested pictures, but no specific pose or photograph can be promised. Pro-rated refunds will only be issued in the case of digital files that are specifically corrupted/damaged/or lost due to a technical malfunction and/or film negatives that are damaged.
10. The sole remedy for any or all actions or claims shall be limited to a refund whose total amount cannot exceed the total monies paid by Client under this Agreement during the time preceding the date on which such liability arises. The refund will be pro-rated in the case of clause #9.
11. Neither Marc Pagani, nor his associate photographers, guarantee a specific number of digital files and/or film negatives to be delivered to client. Total number of digital files/film negatives discussed at any point between the Client and Marc Pagani and/or the Client and his associate photographers are stated only as estimates. Any lists supplied will be used for organizational purposes only. Images determined by Marc Pagani Photography to be substandard or duplicated may be edited out. Marc Pagani Photography will use his professional judgment and sole discretion to select which photos to deliver. Such selection shall constitute all images that will be made available to Client.
12. Upon receipt of a photo DVD or other digital media device, Client accepts all responsibility for archiving and protecting the photographs. Marc Pagani Photography does not permanently archive image files. Marc Pagani Photography is not responsible for the lifespan of any digital media provided or for any future changes in digital technology or media readers that might result in an inability to read discs provided. It is Client's responsibility to make sure that digital files are copied to new media as required.
13. Videographers and other vendors as well as semi- professional photographers must not obstruct or interfere with the official photography and are not allowed to take any still

photos during formal portrait sessions. Wedding guests may take photos, but it is the responsibility of Client to prevent family and friends from interfering with Photographer's duties. Marc Pagani Photography is not responsible for compromised coverage due to causes beyond his control such as (but not limited to) other people's camera or flash, the lateness of the bride, groom, family members and bridal party members or other principles, weather conditions, schedule complications, rendering of decorations, or restrictions of the venues or officiate. Marc Pagani Photography is not responsible for existing backgrounds or lighting conditions that may negatively impact or restrict the photography coverage. Client agrees to confirm the schedule and start time/location one to two weeks prior to the event. Notification of any changes in schedule or location must be made in a timely manner. Changes can be made by phone with a follow-up email for documentation. If email is sent, confirmation of receipt must be obtained.

14. This contract serves as a model release giving Marc Pagani Photography the irrevocable right to use the photographs in all forms and in all media and in all manners, without any restriction as to changes or alterations, for advertising, trade, promotion, exhibition, or any other lawful purposes. Marc Pagani Photography can grant use of the images to third parties and all compensation for use and credit for the images remain the property of Photographer. Client waives any right to inspect or approve the photograph(s), finished version(s) incorporating the photograph(s), or the use to which it may be applied, including written copy that may be created and appear in connection therewith. This release is binding on the Client, their legal representatives, heirs, and assigns.

15. All photographs taken by Marc Pagani Photography are his property, will remain his property and are protected by United States Copyright Laws (USC Title 17). Violators of this federal law will be subject to its civil and criminal penalties. Client does retain limited co-copyright for print reproduction and file copying, but hereby waives any claims for full ownership, income, editorial control of the images.

16. For bridal or engagement portrait sessions, client will arrive within 20 minutes of scheduled session time. If client arrives 20 minutes or more after scheduled session start time (or does not arrive at all), session will be cancelled and rescheduled due to the fact that sessions shortened by 20 minutes will not be long enough for photographer to complete a full, comprehensive photo shoot. If client chooses to reschedule the session, client agrees to pay a \$100 reschedule fee to compensate photographer for his/her time.

All terms of this agreement on all 3 pages of this contract (all 16 clauses) are understood and agreed upon.
