## Services & Pricing

### Wedding Planner

*Description:* Assistance throughout the planning process: from the initial large decisions to last-minute details, I am ready to assist with any and all decisions, budgeting, and timeline management.

*This service includes:*

- Assistance in any wedding decision, included but not limited to:
  - Locating & booking venues
  - Coordinating vendors
  - Vendor-client relations and communications
  - Floral design
  - Ceremony/reception design
  - Paper products design (save-the-dates, invitations, menus, programs)
  - Liaison between client and event venue manager
  - Budgeting
  - Timeline management
- Support & encouragement throughout the process to make sure you and your loved ones are able to truly enjoy the engagement season

### Day-Of Planner

*Description:* Coordinating the entire wedding weekend experience, working alongside each vendor to ensure that your wedding flows smoothly and effortlessly, while you and your loved ones focus on what really matters.

*This service includes:*

- All vendor-client relations and communications the week of the wedding
- Customized & detailed itineraries for the wedding weekend
- Delegation and assistance for both set up & tear down of the ceremony and reception venues
- Aiding in planning/execution of the ceremony timing, order, and layout
- Liaison between wedding planner, event venue manager, and the bride & groom
- Any and all other forms of support, encouragement, and assistance to make sure your beautiful day runs smoothly!

# Full Package

*Description:* From the first planning stages to your beautiful celebration, I am more than thrilled to play a role in your entire wedding experience, providing both planning and day-of management services at a bundled price-point.

*This service includes:*

- Assistance in any wedding decision, included but not limited to:
  - Locating & booking venues
  - Coordinating vendors
  - Vendor-client relations and communications
  - Floral design
  - Ceremony/reception design
  - Paper products design (save-the-dates, invitations, menus, programs)
  - Budgeting
  - Timeline management
- Customized & detailed itineraries for the wedding weekend
- Delegation and assistance for both set up & tear down of the ceremony and reception venues
- Aiding in planning/execution of the ceremony timing, order, and layout
- Liaison between wedding planner, event venue manager, and the bride & groom
- Any and all other forms of support, encouragement, and assistance to make sure your beautiful day runs smoothly!

# One-Time Consulting

*Description:* If you are a bride looking to be your own wedding planner, but want to brainstorm your ideas & vision, I am happy to offer flat-rate consulting where we can talk details and steps to making your day come to life.
