STUDIO 110 PHOTOGRAPHY

As fathers, we believe in "Family First". Studio 110 Photography makes every client feel as though they are family. For over 10 years, Chris and Roy have treated their brides and grooms in this manner which has created lasting relationships. WHAT TO EXPECT

## BEFORE THE WEDDING

We know it's all about you, so we get together and discover what you want your wedding day to look like. If you have chosen a "Stylized Engagement" package, we plan out your session to make sure your signing album is a crowd pleaser.

## DAY OF THE WEDDING

This is the day you've been waiting for your whole life. Our goal is to make it as stress free as possible while creating beautiful images for you to treasure. The rapport we established during your engagement session carries over to enhance your wedding day

## AFTER YOUR WEDDING

Now it's time to relax and enjoy each other while we get to work. We take the time to edit the images from your wedding and get them ready for the big reveal. The time frame for the reveal is based upon the number of images and adjustments needed.
