

COORDINATED TO
PERFECTION

Our clients want a glorious wedding or event, filled with all the personal details that make it their own, without the tremendous burden of having to pull it all together on their own. Whether you're hosting a fabulous hometown wedding or luxe destination affair in New York or beyond, Coordinated To Perfection will help you make it practically perfect. Let's explore the possibilities of working together!

DESIGNED TO PERFECTION

Exclusive Design Conception & Execution with Simone Vega, Starting at \$5000

Simone is a design virtuoso. She'll take your wildest ideas and transform them into a dazzling décor plan that whisks you and your guests away to an intimate retreat.

If you have an endless flow of design inspiration and countless photos saved on your desktop, but still are struggling with a clear design vision, Simone can help. She and the CTP Team will implement the entire concept for you, handling everything from vendor procurement and décor selection to floral arrangements, rental management, and décor setup on the day of your event. In the end, you get a captivating design that's more spectacular than you imagined without getting bogged down by the logistics of how to make it happen.
