

A romantic wedding photograph of a couple in a rustic, industrial-style setting. The groom, wearing a white shirt and a dark bow tie, stands on the left, embracing the bride from behind. The bride, in a long, flowing white gown with a lace collar and a floral hairpiece, stands on the right. They are positioned in front of a large, multi-paned window that allows bright, natural light to stream in, casting long shadows on the floor. The background is a brick wall with peeling paint and some faded signs, including one that says 'WALK SPRINKLES' and another that says 'A COMBOS'. A decorative white floral wreath graphic is overlaid on the image, framing the text.

LET US CAPTURE YOUR
Happily Ever After

The Pretty Little Wedding Photography

What to Expect

Your experience with us begins from the moment you arrive at your wedding venue to begin getting ready. We will shadow your big day from step one. We will discuss photographer edit and special shot request you desire before hand so that we are completely prepared to get every shot you desire.

Getting Ready

Let your bridesmaids and mother know you would love them present while you get dressed for family shots.

Also have any details such as rings and bouquets with you to get detailed shots

Family Photos

Have all family members briefed beforehand when photos will take place. This helps us to make sure the ceremony stays on schedule.

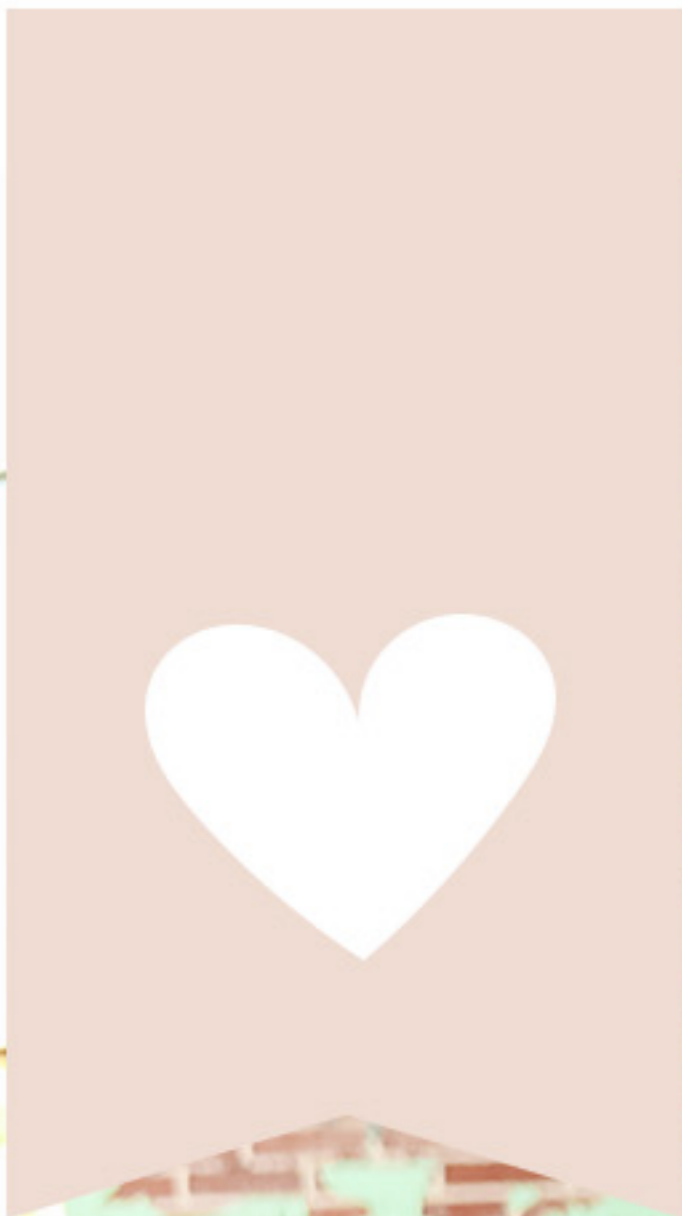

The Ceremony

Before the ceremony we will discuss whether the photographer is allowed to move freely to get key shots or if they are to remain out of sight

The Reception

A reception shoot is included in selected packages. Reception photos are very candid of the celebration and will include ample shots of your friends and family, cake cutting, and dances
