“Above all, the best quality about G1 Studios is that they're giving you his 100% of their work, time, effort, energy, quality, and smile. Jiwon always puts you first and never misses a moment which is amazing! I can't say good enough things about him!”

- JAE BAEK -

“Leading up to the wedding, Jiwon was incredibly helpful and responsive making sure we were all on the same page about schedule, his style, and the end result. They were extremely creative with their shots and we had so much fun working with them! If you are considering G1 Studios, do not hesitate to book them for your wedding!”

- STACEY HEYMAN -

“G1 Studios was the best videographer we've worked with! Leading up to our wedding, Jiwon checked in with us often, making sure we had everything we needed. He even brought a snack box for us during the portrait session, just in case we were hungry! I can't say enough great things about him. They are very professional, kind, and getting the shots we needed didn't feel rushed or unnatural by any means. They made everything easy for us.”

- NICOLE REYES -

Although we hadn't planned to invest into photography, our friends eventually convinced us otherwise. We could not be more satisfied with how he managed to capture our wedding day! He responds to emails very quickly and even sent us a thoughtful gift package.
