Vicki is an emotional Story teller! An Artistic Photographer whose images combine to tell the EMOTIONAL STORY of your family, your friends, and your wedding day. This is really important, if you are looking for photographs which will be PRICELESS to you for years and years to come!

The First time we meet, it's our treat.

Before we formalize our relationship, let's start off with a consultation, at no cost to you. We'll meet with you at our studio (or another location of your choice) and ask you a few brief questions. If you already have ideas, we'd love to hear them! Together, we will come up with a wedding package that is right for you, at a price you can afford. Please call or email us to schedule your complimentary wedding consultation.
