

# NEPO WEDDING FILMS

## I n v e s t m e n t

Because I value Quality over Quantity, I will only be commissioning a limited number of weddings in 2018/2019. Each package contains a film of your wedding day. (Our most popular film is the Silver Feature Film Package). The length of the films is determined by how much footage we shoot. As you can see, each film package includes more events shot, therefore each film length is a bit longer. In addition, there are a number of Add - Ons for you to choose from to tailor each package to meet your specific needs and desires. If you have any questions or need clarification, please don't hesitate to call or email me, Steve. I'm here to help. 319.892.3124 or [Steve@NepoProductions.com](mailto:Steve@NepoProductions.com)
