

INVESTMENT GUIDE

HI THERE!

It means so much to me to know that you felt something from my images. So let's connect. Let's grab a coffee and chat about you!

- Boots

We work together.

This is a collaboration between you and your love. And me and you guys.

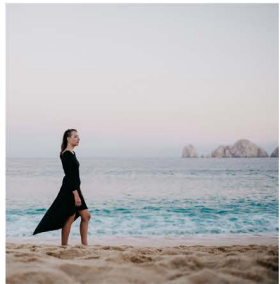

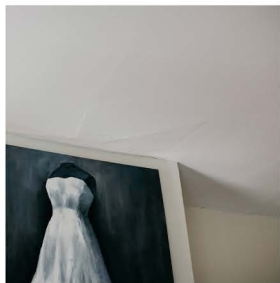

You want memories saved, not contrived.

I love working with people who have a laid-back approach to their wedding, and embrace life's real moments.

While details are a great way to make the day personal, my clients care more about the people surrounding them.

So if you want pictures of your great-aunt Edna gettin' funky on the dance floor, or how your sister looked when she saw you in your dress, or how your hands nervously gripped your veil when you were waiting to walk up the aisle, then I'm your girl!

Let's hang out.

Do you travel?

Does a fish breathe water?? YES!

I love traveling for weddings!

Every situation is different so let's talk about what you might need. I require airfare, a place to stay and a rental car for the duration of the trip.

f.a.q.

Q. Do you offer albums?

A. No. Trust me, it will save you time and money to order your own. And I recommend using Artifact Uprising for great quality albums!

Q. Can we get a discount if we don't want the engagement session?

A. No. The engagement session is my gift to you as way to say "thank you!"

I also want to invest my time in getting to know you better, and an engagement session is a great way to do that!

Q. Is there an out of state discount?

A. Yeah baby! I happily give 10% off to couples who live out of the state of North Carolina!

Q. How much is the deposit to book you?

A. 50% of the final total

Q. What is your favorite book? (people don't really ask this..)

A. To Kill A Mockingbird. When Scout says "Hey, Boo." oh lord, I fall apart every time.

Q. What does your turn around time look like and how many images can we expect?

A. It takes about 6 - 8 weeks after the wedding for you to receive the gallery. It can take up to 12 weeks if your wedding is during the busy season (April - June, Sept, Oct). Depending on how many hours you want, you can expect any where from 500 - 900 images.

Q. We want to book you!! Now what??

A. HOORAY! You have made a great decision. I freaking love what I do, and I can't wait to do it with you! Just shoot me an email letting me know that you want to hire me, and I'll gather information to create a contract for you. That's that! Easy peasy.

ABOUT ME

I'm Rebekah, but please, call me Boots.

I love Jesus, my husband Stephen,
and our sweet daughter Penelope June.

I could watch the movie *Pride and Prejudice*
every day of my life and never get sick of it.

I love a good iced latte, but I cannot handle
the caffeine (huge understatement...can. NOT. handle it.)

When people find out that I am a wedding photographer,
I get the same reaction every time: "oh, how fun!"
And I think to myself, "Yeah, it is a TON of fun! But it is
also a huge responsibility that I take very seriously."
These moments that are unfolding are sacred to you.
And I make it my priority to help you remember
them beautifully.
