

Venue Information

Thank you for considering Greenlands Farm as your event location. Our farm is located just miles outside of the city of Wilmington, offering a serene setting for weddings, receptions, and private parties. We welcome you to celebrate your special occasion on our beautifully manicured 12 acre farm with gardens, pastures, and rural views. Designed as a sustainable homestead farm, the land at Greenlands Farm has sustained 3 generations of families. The farm is also home to the rescued farm animals of Helpers Of Our Farm, providing them sanctuary in the farm's pastures. When here, our guests feel they are a part of the beauty of nature: the setting of Greenlands Farm will leave your guests amazed with its natural beauty.

We invite you to build your dream celebration event here and create memories to last a lifetime. Greenlands Farm is only a venue space, you will have the option of creating the feel and layout of your wedding with a wedding planner and special occasion business for chairs, tables, décor, and tents. All activities on the farm are outdoors, the bridal party will have the option to rent a room the farmhouse (see below).
