

Hey! Let me share with you my price listing. First of all, would inform you that I do wedding photoshoot during event or in the city center. And there are 2 different packages:

1. Event. It means I meet you in your wedding destination and serve you there. It can be half day or full day photoshoot. It is 150 euros per hour for photoshoot. If you are looking for video-maker I do have him in my Team. This is extra 650 euros for 5-10 minutes video file in high resolution. If you would like video with Drone it costs 950 euros including regular video and Drone.
2. City center. I am going to send you exact meeting point and start photoshoot from there and walk from one destination to another one.
