The Kara Kamienski Photography Associate Program was designed to meet the needs of couples who love our quality, service and style-but whose wedding dates or budgets don't fit. By booking our associate package, you will work with one of our amazing associates on your wedding day- with all editing and product fulfillment completed by Kara. #TeamKKP are all exceptionally trained under Kara as wedding photographers in their own right. They have worked alongside Kara for at least one full wedding season and are experienced in capturing the moments and emotions inherent in a wedding day.
