TIPS for the BEST SPRAY TANNING RESULTS

Exfoliate before getting sprayed to rid dead skin cells. Do not exfoliate after your session so your spray tan can last longer. Exfoliating or bathing with a sponge/luffa will remove the tint.

Never apply lotion or oil to your body before spray tanning. It will act as a barrier and can result in blotches. You can use an oil-free moisturizer once you're spray tanned.

Allow 8 hours for the solution to fully develop before showering after your session. Waiting 24 hours is best for maximum results. Allow just 3 hours for the Rapid Solution to fully develop.

The day of your spray tanning session, do not work out or engage in any physical activity that will result in sweating so your tint can last longer. No chlorine for 48 hours.

Pat dry with your towel after showering. Do not rub your skin.

FAQs

HOW FAR IN ADVANCE DO YOU BOOK WEDDINGS AND TRIALS?

Weddings can be booked up to twelve (12) months in advance and a deposit & contract will lock in your rate should rates change due to inflation. It is recommended that trials are booked at least two (2) to three (3) months in advance.

WHERE ARE YOU LOCATED?

The stylists and makeup artists of Ayari's Brides are all located throughout NYC and Northern New Jersey, but we work "on-site," which means we will travel to your location at your convenience depending on availability. We do however at times work out of our affiliated salons in midtown and downtown Manhattan for trials based on our schedules for the requested days. You should note that there is a travel fee for trials outside of Manhattan, Brooklyn, Bronx and Queens.

IS THERE A MINIMUM TO BOOK AYARI'S BRIDES FOR MY WEDDING MAKEUP AND HAIR?

Unlike most other bridal companies, we do not require a minimum number of persons for us to reserve a wedding date for weddings in NYC (Manhattan, Brooklyn, Bronx, Queens) or Hudson County, NJ. We only require a minimum of 3 persons (the Bride, plus 2 others) for clients that are located outside these areas. (i.e., 3 for hairstyling, 3 for makeup or 3 for hair AND makeup).

IS THERE AN ADDITIONAL FEE FOR EARLY WEDDINGS?

Yes, given the commitment and travel time that is required by our team. We charge \$100 if our arrival time is 6am or 6:30am or \$200 for call times before 6am. Please keep in mind we usually schedule one (1) hour for both hair and makeup per person.

DO YOU HAVE PACKAGES IN YOUR PRICING?

Yes. Our packages begin with parties of 3 or more. Please view page 3 for our standard rates and packages. Our rates are competitive based on the industry's standard and our experience in bridal.

DO YOUR RATES CHANGE FOR A SPECIFIC MAKEUP ARTIST OR HAIR STYLIST?

No. There is no difference on level of expertise; therefore, there is no change in rates from one artist/stylist to another. Our entire team is professionally trained in make-up and hair applications, and all have over 10+ years of bridal beauty experience. To add, each member has been handpicked by Ayari herself.

DO YOU REQUIRE DEPOSITS AND A CONTRACT?

We require a deposit of \$100 or 20% of the entire quote (whichever is greater) along with a signed contract to reserve your wedding date. Your services are not guaranteed until we receive both the deposit and contract.

The balance will soon after be invoiced and is due two (2) weeks before the wedding date. A \$25 late fee will be assessed after this date.

Contracts can be mailed, emailed or faxed.

HOW DO YOU ACCEPT PAYMENTS?

We accept payments via cash, check, money order, credit card, Venmo, PayPal or Chase/Zelle Quick Pay for the deposit and wedding day balance.

Trials

A 100% deposit is required to reserve your trial date, and balance is due on your appointment date.

Wedding Day

Payments are **not** accepted on the wedding day and must be paid in advance.

ARE THERE ADDITIONAL FEES?

Tax

Tax is **NOT INCLUDED** and an additional 4.5% service tax will be invoiced to all services.

Travel Fees

Total travel fee will be invoiced for locations outside Manhattan, Bronx, Brooklyn, and Queens, and is pre-determined based on (a) Gas at the IRS standard rate per mile (b) applicable tolls and (c) number of employees traveling. (Though most team members will car pool). If public transportation is being used, the fee will be based on the round trip ticket(s)

Should artist or stylist incur unexpected tolls and parking fees in and outside of New York, the Bride will reimburse these fees directly to Lead Makeup Artist or Hair Stylist in charge upon her arrival if they are not previously invoiced. Receipts will be provided to the Bride if necessary.

Additional Hair Fees

We ask that everyone's hair be dry and straight (NOT flat ironed). Wet hair will result in a blow drying fee (\$25), which will take more of our team's time and take away from the originally planned schedule for the wedding day. This fee will be collected by the assigned lead artist or stylist for the day, which will be announced to the Bride in advance.

There is an additional \$30 styling fee for adding and styling clip-in extensions to hair (about 30 minutes of additional time).

Late Fee

The payee will incur a \$25 late fee if the invoiced balance is not received by the due date (2 weeks before the wedding date).

Touch-Up Fee

An additional \$100 per hour rate applies should the bride need a makeup artist or hair stylist present at the event for touchups. Or \$200 per hour for both. Hourly rate begins when all makeup artists and hair stylists are completed with all hair and makeup on bridal party. Total hours must be discussed in advance.

Early Arrival Fee

We charge \$100 if our arrival time is 6am or 6:30am or \$200 for call times before 6am.

Holiday Fee

\$150 is applied towards the grand total for weddings held on holidays. Holiday's considered for Ayari's Brides include: New Year's Day, Memorial Day, Independence Day, Thanksgiving, Christmas Eve, Christmas Day, and New Year's Eve.

IS GRATUITY INCLUDED IN YOUR RATES?

20% Gratuity is included for parties of 4 or more and will be split amongst the team. This amount will be invoiced. It's always a nice gesture to tip any of the women servicing you :)

HOW DO YOU SCHEDULE HAIR AND MAKEUP ON THE WEDDING DAY?

Photos of each person in the bridal party with her hair loose is requested in advance, along with hair and makeup inspirations, to determine scheduling of each person in the bridal party, which will vary between 60 min. and 90 min. Flower Girls or short-hair blow outs are typically 30-45 minutes, while most updos and curled styles are 60 minutes. 90 minutes is required for those with longer and thicker hair, which is predetermined by the lead stylist assigned to your wedding.

We believe in all of our talent and skillmanship. Our brides are completely satisfied with the work and integrity of our team. The team will not leave the premises until the Bride is completely happy. After all, a pretty bride is a happy bride!

WHAT ARE YOUR CANCELLATION AND REFUND POLICIES?

In the event of a cancellation of our services, all deposits are non-refundable. A 50% refund will be granted with at least fourteen (14) days or more of notice (minus deposit). No refunds will be granted with less than fourteen (14) days notice. Note that cancelling our services after deposit or balance has been received presents Ayari's Brides with missing potential clients.
