Thank you for considering Sewell Mill for your upcoming event.

Sewell Mill Events Facility & Community Center is the perfect place to have your upcoming wedding, party, exposition, or conference. Our newly renovated Cherry Blossom Ballroom and Artisans Crossroads space provide a unique setting for your special event. Features from this historical structure, originally built in 1918 as a cotton warehouse, can still be seen along with pictorial memories from the past.

Our Cherry Blossom Ballroom can accommodate dining guests up to 250 and many more conference style. Our smaller room, the Artisans Crossroads, provides a more intimate setting for up to 100 guests and doubles as a lovely wedding chapel. A full kitchen and Bridal Suite are available for your convenience. While you are here, we encourage you to stroll through our "Stitching the Fabric of Community" Exhibit and enjoy a look into the past of the textile industry. Sewell Mill is a non-profit 501c3 organization owned by Sewell Mill Inc. and operated by its board of directors. Our long term goal is to become a children's interactive educational center.

The following are standard rental prices. We are very flexible and can design a package to meet your needs. Sewell Mill prides itself on being a strong part of the community and offers special rates for community functions and fundraisers. Please do not hesitate to contact us with questions or special requests.
