# Engage

IN A UNIQUE PHOTOGRAPHIC EXPERIENCE

Aside from providing you with beautiful, emotional portraits in a casual setting, engagement sessions allow us to get to know each other before the big day. Knowing what to expect from your photographer and feeling relaxed in front of the camera are critical for photographic success on the big day.

Engagement sessions are the time for you and your beloved to show your inner selves, your love for one another, and your favorite outfits in a relaxing and enjoyable environment. You are welcome to choose a location that speaks to you in a personal way, or let us recommend a few of our favorite hot spots based on what you love! Some couples choose that special spot where he proposed, others their favorite restaurant, winery, or flower field. We can't wait to get you in front of the lens and bring out what makes you a special couple! Engagement sessions typically last one to two hours and include two outfit changes, but we are happy to accommodate additional requests!

# Love Letters

FROM OUR CLIENTS

*We would not be all that we are without you, our fabulous clientele. Many of the couples we work with end up keeping in touch long after the wedding day and become our close friends! We love the people we work with; it makes our job worthwhile!*

"Jodi was the photographer for my wedding last September and I cannot rave enough about how AMAZING she was! I am also a photographer, so it was hard to find someone I could trust to photograph our big day, which was a destination wedding! I live in! On our wedding day, she made everyone feel very comfortable, made us laugh, had fantastic poses and was very professional. She blended in to our ceremony and did not disturb with obnoxious flashes. She was early and dressed professionally, but was still able to move around and do her job. I cannot say enough about how fabulous she was on that day and the photos turned out perfect! I am so glad that I stumbled upon Jodi's site and I would recommend her to everyone out there because she really adapts to your personalities!"

— Tyler & Callie, 2014

"Everyone who has seen our wedding pictures swears that we were really modeling for a magazine ad. Jodi covered every angle, moment, and idea with ease. She was ready for anything and didn't hesitate to jump in and get the really good shots that tell the whole story. I would highly recommend the Talented Miss Jodi for any event; you won't be disappointed."

— Justin & Lindsey, 2013

"Jodi was truly amazing to work with and takes gorgeous pictures! She made both of us feel very comfortable and had a great sense of humor that made us laugh, making for great pictures! I would definitely recommend her to any prospective couples for both engagement and wedding pictures."

— Jason & Rachel, 2014

"Wow! 6 stars if they went that high. We just got our photos yesterday from our wedding. Jodi hit the ball out of the park. HUNDREDS of shots from the wedding, the reception and the beach/nature in-between (with the wedding party.) Jodi made sure to capture all of the "stock" shots that you need at a wedding, but then she also went above and beyond to capture some truly cool (artsy) shots. She was patient, but also "pushed" just the right amount to keep our energy up and keep us in the moment. She delivered the photos on a beautifully packaged DVD with a lovely, hand-written thank you card. Of the million decisions (both large and small) that people make when they plan a wedding, this was one of our best! Thank you so much Jodi - you rock!"

— Tim & Nicole, 2014

"We feel so blessed to have had Jodi as our destination wedding photographer. I love photography and wanted amazing photos for our wedding. I didn't realize how much your wedding photographer can make or break your special day and we are SO happy that Jodi was our photographer! She is so fun & personable. Her photos are amazing!!!! And she makes you feel like a million bucks!!! She will do everything she can to ensure you get the photos you wanted and traveled for. She is so creative and, has such a wonderful eye for photography and knows what looks great. She also emailed me photos that I needed for our reception and sent a beautifully packaged CD of all of our photos to us very quickly! She did a wonderful job on editing our photos and any additional questions I have had for her she has responded back to me and helped me right away. Once again we feel SO incredibly blessed to have had such a wonderful wedding photo experience with Jodi whom we hadn't ever met or spoken with (only emailed) until the day of our wedding photos!"

— Joshua & Rebecca, 2014

"Jodi was awesome - she made us comfortable, got great shots, and did everything as promised - totally recommend when you want those romantic, forever shots for your wedding!"

— Jason & Rachel, 2015
