<p>Uplighting is the perfect way to elevate your wedding reception venue. Our lighting is completely wireless, which means your guests will not have to worry about tripping over unsightly cables. Our lighting is LED which means it is cool to the touch and we can pick almost any color to make your venue truly stand out!</p>				
			\$600	\$600
<p>Our state of the art digital photo booth can liven up any event with not only photos but also GIFs, Boomerangs and even video. Your guest can then email, text or even airdrop the photos to themselves to instantly post on Instagram, Facebook, Tik Tok or any other social media!</p>				
			\$600	\$600
<p>This stunning visual experience will add that unforgettable touch to any wedding or event. Real music videos, mixed in real time on your venue's screens or our TV towers (ask us about a video wall upgrade!). Imagine having Bruno, JT, and Chris Brown as your backup dancers all night long! *DJ Brian Smith Only</p>
