

# Merchant Productions

Wedding Video Package Pricing:

Our goal at **Merchant Productions** is to create the best possible keepsake for you on your wedding day. Using a combination of styles, techniques, and vantage points, we will capture every moment of your special day. "From boutique to bouquet" you'll be able to watch your memories in motion for years to come. Optional packages make it possible for everyone to have their own special memoir.

Every package is specially designed to fit every couple perfectly. Every detail is considered and discussed so that your special day is all you will think about.

## The Cecelia Package:

includes your day from beginning to end, filmed to the highest resolution on two cameras with highest quality audio, capturing every detail with precision. Also included is a photo montage to begin your dvd and a music video to conclude your dvd memoir with family well wishes.

**\$1300.00**

## The Eli Package

includes everything in the *Cecelia Package* but also adds a third moving camera to capture that many more close up and candid moments for you to cherish.

**\$1800.00**
